

“Addendum To “No Bones About It Pt.3”

Bereshhet-Gen. 3:24 So He drove out the man; and He placed at the east of Gan Ayden cheruvim, and a flaming sword that turned in every direction, to guard the way back to the eytz chayim.

Shemot Exodus 26: 31 And you shall make a veil of blue, and purple, and scarlet, and fine twined linen of skilled work: with cheruvim shall it be made:

32 And you shall hang it upon four pillars of acacia wood covered with gold: their hooks shall be of gold, upon the four sockets of silver.

33 And you shall hang up the veil from the hooks, so that you may bring inside within the veil the Ark of the Testimony: and the veil shall divide between the Makom Kadosh and the Most-Kadosh-Place.

Flaming Cheruvim on the curtain, east of the Holy of Holies, blocked the way back to Eden.

Melachim Alef-I Kings 6:31-35

31 And for the entrance of the Speaking Place he made doors of olive eytz: the lintel and side posts were a fifth part of the wall.

32 The two doors also were of olive eytz; and he carved upon them carvings of cheruvim and palm eytzim and open flowers, and overlaid them with gold, and spread gold upon the cheruvim, and upon the palm eytzim.

33 So also he made for the door of the Hekal posts of olive eytz, a fourth part of the wall.

34 And the two doors were of cypress eytz: the two leaves of the one door folded, and the two leaves of the other door were folded.

35 And he carved on them cheruvim and palm eytzim and open flowers: and covered them with gold laid upon the carved work.

Cheruvim on the curtain and on the doors BOTH east of the Holy of Holies blocked the way back to Eden.

So it was the Hekel doors (Holy Place) that swung open and the veil behind it that was ripped, while the doors to the Holy of Holies remained shut. The veil in front of the Holy of Holies behind the Hekel doors was rent.

WHEN YAHSHUA DIED, THE TEMPLE DOORS SWUNG OPEN AND THE VEIL BEHIND THE DOORS, ALSO WITH THE TWO CHERUVIM, ALSO WAS RENT. SO YHWH OPENED BOTH DOORS TO THE HOLY PLACE-HEKEL, TO EXPOSE THE VEIL SEPERATING IT FROM THE HOLY OF HOLIES. THE VEIL WAS BEHIND THE DOORS OF THE HOLY PLACE!

Ivrim-Heb 9:5 And over it the cheruvim of tifereth shadowing the mercy seat; of which we won't now speak in detail. Eden and the road back are very detailed to say the least! The gospel has simplified it!

Melachim Alef-I Kings 8:9 There was nothing in the Ark except the two tablets of stone, which Moshe put there at Horev, when YHWH made a brit with the children of Yisrael, when they came out of the land of Mitzrayim.

What happened to the ROD that budded almonds? David took it and replanted it to grow on the Mt. Of Olives at the SKULL.

Second Samuel 15:

30 And **Dawid went up by the ascent of Mount of Olives**, and wept as he went up, and had his head covered,¹ and he went barefoot: and all the people that were with him covered every man his head,² and they went up, weeping as they went up.

31 And one told Dawid, saying, Ahithophel is among the conspirators with Avshalom. And Dawid said, O YHWH, I make tefillah to You; turn the counsel of Ahithophel into foolishness.

32 **And it came to pass, that when Dawid was come to the top-The Skull of the mount, where he worshipped Elohim,**

So David took the ROD OF MOSHE, the remnant branch of the Tree of Life, and planted it at the summit, HA ROSH, Golgotha, where it would grow BACK into the TREE OF LIFE where Yahshua hung! Thus, when his son Solomon, built the Temple, the ROD was missing! Why? It was TRANSPLANTED on the Mt. of Olives at ADAM'S SKULL by King

¹ Men wore head coverings in Yisrael as an eternal custom.

² All Yisraelites are seen here in head coverings not only the priests, or kings. Since YHWH does not change, all believers must continue in the practice, at the very least in public worship and assembly.

³ Mt. Of Olives.

David where the skull of death of Adam # 1, would be crushed by the Tree of Life of Adam #2, the SEED, or BRANCH of David.

More proofs that the Garden of Eden was at the Temple Mount! The Menorah with 7 almond branches and 7 bowls representing almonds, was in the Holy Place before YHWH's Speaking Place. Thus YHWH indicates that the Menorah with its almond branches and almonds is in fact a replica of the original Tree of Life that once stood at that exact spot! YHWH's placement of the Menorah indicates the original spot of the Garden of Eden's Tree of Life, as does the veil and doors with cheruvim!

See Beressheeth-Geneseis 3:15 Yahshua rose and the rocks on the Mt. of Olives were rent, or torn, thus tearing the SKULL of death caused by Adam's death. Mattiyahu-Matthew 27: 51-54. Many buried on the Mt. of Olives, including Adam, rose when Yahshua rose and went from the Mt. of Olives and appeared in Jerusalem inside the city, or the original Garden of Eden, as they has been set free from death and desired a return to Eden! The city itself! This was the first recorded skull crushing.

In Ma'aseh Shlichim-Acts 1:11-12 we see that Yahshua ascended from the SKULL (Mt. Of Olives) and is returning to crush death MORE FULLY at the same place.

This SKULL crushing will be completed in Zacharyah-Zechariah 14:3-5 when Yahshua's return to earth at the Mt. of Olives-The Skull, will cause the Mt. of Olives, or the SKULL to split wide open into a new valley of life, the Valley of Yahoshofet/Jehosohat, replacing the valley of the shadow of death, the Kidron Valley, or Gei Hennom the garbage dump!
