The USA Constitution guarantees freedom of religion.

- [First Amendment](#) *Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.*

Yet the recent illegal military style invasion of the polygamous sect in Eldorado Texas has violated their most basic freedom of religion, guaranteed under the first amendment.

While we may, or may not agree, with their lifestyle, the fact remains this practice is part of their religion based on Torah beliefs. The State of Texas entered the compound illegally, without any evidence of child abuse. Period! They allegedly have only one witness, a 16 year old girl, who allegedly phoned in a telephone tip of abuse by a 50 year old man. Problem is that the man was not in Texas and hasn't been for many years. So far they have not found the girl who allegedly alerted authorities.

Is it not interesting that the US gov't and the State of Texas does not enter gay bath houses, or illegal massage parlors, where all kinds of perversions and fornication including sodomy and other alternative lifestyles are practiced. All these behaviors are clearly against the word of YHWH. It seems like the only alternative lifestyle that the government despises is marriage, even if the marriage is polygamy. How come the gov't does not seek to remove children from gay couples and gay marriages, or those

monogamous couples that raise children in an abusive home, or a home where there is open fornication or other vices going on? And when they do, do tanks show up?

This is nothing but an attack on all religious freedoms in the USA and an attack on marriage, regardless of whether polygamy is viewed as legitimate or not. The problem with this sickening gov't "police state" action is that if one religion is outlawed, or persecuted by the state without any real evidence of illegalities, then ALL NON-TRADITIONAL, NON-PROTESTANT, OR NON-ROMAN CATHOLIC expressions of religion are in danger of a gov't military invasion, or shut down.

We may not agree with the Jehovah Witness doctrine, but because they are free to express their religion apart from state interference, we and other non traditional sects are also free to express ourselves religiously. If we don't stand with these victims in this polygamous sect, then our rights may one day be trampled upon by a state that sees our lack of willingness to confirm to Sun god/day worship and Easter celebrations as a threat.

If we don't stand with these polygamous folks, even though we may, or may not agree with their lifestyle, one day very soon the US gov't may well declare all Messianic and Nazarene Yisraelite believers an "abusive sect," because we also practice Torah and also spank our children to discipline them when needed. And of course some Messianics practice polygamy as well.

The day may soon come when the gov't police will rip your children out of your arms, and homes, because you home school them, or because you don't worship on Sun/god day. This case with over 430 innocent children ripped and pulled away from their homes and parents at gunpoint with firearms drawn, is nothing but a brutal police state action against all men and women of faith. They may soon be wards, or children of the state, subject to the cruelest forms of bureaucratic abuse and neglect.

Don't believe what the media is telling you. Please! Where is the EVIDENCE OF THREE credible witnesses required by Torah that alleged child abuse is going on? It's not there and all the media labeling and self righteous declarations will not change that underlying fact. Where is the evidence?

The USA Constitution in the 4th amendment guarantees that citizens shall not be subject to sudden, or unjust entry and seizure.

- [Fourth Amendment](#) – Protection from unreasonable [search and seizure](#).

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no [Warrants](#) shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The State of Texas has SEIZED these children from their homes and from PRIVATE property, all because these folks practice a religion, or have a religious expression that society does not understand or approve.

There was no warrant against 430 MOTHERS TO SEIZE their precious babies. Only one warrant was issued for 1 individual adult, who allegedly abused an underage child. Yet when the State of Texas came looking for the under aged child, the child was missing, as was the adult. The State of Texas, not the polygamist sect is engaged in illegal and immoral criminal activity, as the Torah DOES forbid kid-napping, which is the seizure of "kids!" The Torah DOES NOT criminalize polygamy, as almost all of Yisrael's

patriarchs; our forefathers were in fact polygamous. It may not be your cup of tea, but it's certainly not illegal in Scripture.

Furthermore, the second amendment to the USA Constitution guarantees the right of all Americans to bear arms for self defense.

- Second Amendment – *A well regulated Militia, being necessary to the security of a free State, the right of the People to keep and bear Arms, shall not be infringed*

Part of self defense, is protection against the illegal search and seizure of our properties and children by the USA, or state governments'. See, the founding fathers knew that if the US experiment in democracy was to succeed, the people needed to have and maintain a real and legitimate means of defending themselves, if and when Uncle Sam came knocking. They wanted to make 1 million % sure that the citizens were armed, so that the fear of YHWH could be put into the gov't, should the gov't ever step out of constitutional bounds.

This is why those opposed to private firearms ownership to keep tyrannical government actions at bay are ignorant, or simply scared by misinformation, or personal fears. Sadly these folks in Texas were unarmed to defend their 2nd and 4th amendment rights and were no match for armed Texas gov't kidnapers, coming to kidnap 430 children with military tanks and AK 47s.

Never forget, that it is the second amendment, the right to bear arms for self defense that keeps us free, and guarantees the first amendment, so that all Americans can enjoy religious freedom, with the US gov't forbidden to make any laws for, or against any religious expression. Without the exercising of our second amendment rights, our first amendment rights will most certainly be lost. Most people still won't get that however, as they have been spell bound and brainwashed by the media and by so called "cultural norm." Gun control really means the gov't ALONE controls the guns, so that only criminals and police state officials can have guns. The average law abiding innocent citizens are then at the mercy of the state. Only in gun control situations can the type of illegal human abduction and "Kid"-napping police action that we have seen in Texas take place.

Now pershaps the most sensitive point; but we must confront the biblical truth regrdless where it leads us, and regardless of who may turn against us. All of these statutory rape laws are simply bogus and purely manmade and have no basis in Scripture. Most of our biological Yisraelite forefathers had young women/girls, say ages 14-19 as their wives. Some had more than one. Those are the facts folks. Even though we may not feel comortable with the facts.

YHWH never denounced them, or condemned them. This may be a tad uncomfortable for most, but do you want the MSNBC, CNN lies that promote a secular anti-marriage society and agenda, or do you really want to know what YHWH has said all along on this matter? Moreover, Miriam the surrogate mother of Yahshua was no more than 15 when she carried and brought YHWH's very own Son to term. Joseph was not arrested when he betrothed her either at age 14, or 15 and later slept with her, as he fathered several of Yahshua's siblings.

Based on manmade statutory (note statutory, not biblicaltory) rape laws, YHWH The Father, the ANCIEN OF DAYS, certainly older than 50 years old, allowed an "underaged" girl to carry His seed. So based on these faulty manmade laws defining, or should we say redefining, what YHWH does and does not allow, men and women are being sent to jail, as innocent children are ripped away from their loving

mothers with horrific machine like cruelty; all in the name of MANMADE statutory rape laws. Our forefather Jacob fathered Yisrael through polygamy. Was he arrested?

So let's recap here. Scripture allows for marriage with younger women/girls and allows polygamy, though it may not have been YHWH's initial "Garden of Eden will." Man has declared these practices abusive and repulsive. On the other hand, YHWH declares sodomy and fornication as abominable. Yet these gay, lesbian, and transgender couples and families can legally raise children and have government sanction, medical care and protection for their abominations and for the children victims in their care. What is wrong with this sick picture?

This is the true biblical view of the wrongdoing still unfolding right now in Texas, as this police state Gestapo action unfolds before our eyes, while most of the American public is drunk with the lies of our secular society and of the American media, that portrays these folks as some kind of threat to their own sick anti-Christ society.

These religious folks teach their children Torah, salvation thru Messiah, love, pacificism, mercy and covenant relationships, teaching them faithfulness and how to eschew fornication and pornography. Yet the very same government thugs, who proliferate pornography by looking the other way (\$\$\$) and who continue to do nothing about its widespread availability in society, are now guilty of the worst kind of illegal crimes against helpless people.

Who will restore the children to their families? Will they be returned to their homes? Where is the righteous outcry and indignation from Americans with real discernment? Sadly, if we don't speak the truth in love right now, hold on real tight to your children now being raised in Torah.

The day may not be too far off, where they also will be seized at gunpoint in the middle of the night, as you also are allegedly guilty of a religious faith and expression that is "not approved" by the US gov't. If we don't stand with the polygamists rights to practice their religion freely and without persecution and raise their children in the USA, we who practice monogamy, are also in danger, as our children are being raised based on the same Torah that allows both monogamy and polygamy as marriage lifestyles before YHWH.

If we remain withdrawn, unconcerned, duped and silenced by apathy, or by the media references to these folks as being some kind of a weird crazy religious cult, or sect, and if we don't see our way out of their "Geobels type propaganda machine," there is no doubt in my mind, that we are "tomorrow's cult," needing armed gov't intervention and salvation to protect our children from us and our Torah based faith and parenting methods.

Remember that the gov't officials, media and news reports that are committed to ending this group represent a sick anti-YHWH society that has sanctioned gay marriages and gay civil unions without marriage, along with open adultery and fornication, all the while decrying and belittling all forms of covenant marriage, whose undergirding principle is love, commitment and faithfulness.

Final Thought-By the way, can you imagine the Associated Press ever calling a mosque a "polygamist temple? Why not? Double standard? How would Muslims react?

Please do your civic duty and pass this along to many others. Thank you so much. Please address all comments to: info@yourarmstoisrael.org Keep them brief please. Feel free to pass this on to news media organizations.
