1 Timothy 6:6-11 Shabbat guarding piety WITH CONTENTMENT. 1 Timothy 6:19

Shemot 2:21-Gave up his stuff and got a kadosh wife.

Proverbs 3:9-10-the key to being content and being filled is to GIVE AWAY your STUFF/SUBSTANCE. Most know this but refuse to live it and thus fail to know it experientially.

Luke 3:14-Content with your income, job, status, employment, income and things in your possession at the moment. Do not covet to reign in and collect more of your possessions.

Hebrews 13:5-The Master will not leave or forsake you so why worry about your stuff and collecting, gathering ore increasing your junk. Let's look closer at the content starting in verses 4-9. When we try and gather things we think we need or used to need/have Yahushua does not become as real as he could be...the same always whether we have or don't have the stuff we used to! Attachment to stuff past or present can be idolatry,

Philippians 4:8-13

Luke 12:-16-34 Instead of leaving his junk behind with its ties to the past and the earth, he tried to build bigger barns to house and horde his stuff! Look at the rebuke of Yahushua. You will lose what you horde or have hoarded and will lose what you planned on keeping if you don't get rid of it/ sell it. Acts 20:35, Luke 6:38.

Close-This ability can only come after serious self examination and allowing YHWH to show you INNORDINATE AFFECTIONS. Colossians 3:5 covetous is idolatry...what

stuff-idols are you insisting on carrying forward to become nothing more than house idols? Selah
