

## Cities behold Your Elohim

Sermon Notes 2002

*Delivered Live at B'nai Yahshua Synagogue North Miami Beach, Florida*

Yeshayahu 40:9 *O Tzion, that brings tov tidings, get up into the high mountain; O Yahrushalayim, that brings tov tidings, lift up your voice with strength; lift it up, be not afraid; say to the cities of Yahudah, See your Elohim!*

**This is a prophecy of the first and second coming and as can be clearly seen, the cities of Yahudah on the west bank are considered cities of Yahudah, from the time of Moshiach, all the way to the present time. Its is these Judean cities that will see YHWH come as the Moshiach of Yisrael in the flesh! Notice the prophecy does not say cities of Hamsas or cities of Edom!**

A look at what really is the so-called west bank of the Yarden River. Very little scripturally happened on the east bank. Here are just a few Judean, or Yahudite cities.....

Second Shmuel/Second Samuel 5:1-Hevron was the first united capital of David's Tabernacle. 2 house division was first addressed and healed in Hevron-Divre Hayamim Alef/First Chronicles 6:55

Yahoshua/Joshua 5:13-Jericho on the west bank is the city where Yahshua appeared to Joshua as captain of YHWH's host in order to encourage him for conquest. Yericho was the first Yisraelite city settled after 40 years in the wilderness.

Beresheeth/Genesis 35:4, 10,11- Shechem or modern day Nablus- This is the place where Yaakov received 2-house prophecy and buried Yisrael's idols. This city belongs to Ephraim Israel.

Micah/Mikah 5:2- Beth Lechem the birthplace of the Moshiach Yahshua in Yahudah as well as King David.

Schmuel Bet/Second Samuel 5:6-7 Yahrushalayim was the city of David, Yisrael's second united capital and was bought and paid for by King David himself some 3,000 years ago. See Divre Hayamim Alef/First Chronicles 21:30, 22 and Divre Hayamim Bet/Second Chronicles 3:1. **Purchased and prepared with an actual title deed.**

**Now the question is how long do these west bank cities belong to Yisrael? Answer. Forever! Beresheeth/Genesis 17:7-8, Devarim/Deut. 7:1, Beresheeth/Genesis 35: 6, 12. Yaakov's seed received all of Kannan. No Edomites were ever given any land in the wets bank. Edom was given Mt Seir in the wilderness by YHWH as a home. Tehillim 105:8-15 says that the land is Yisrael's eternally, even for a thousand generations. Using 40 years as a low end number of measuring a generation, Yisrael has a 40,000 year lease for the land made in circa 2000BCE and thus has about 36,000 years left to run, which will take Yisrael right into the atid lavoh, or the millennial kingdom thus assuring it can never relinquish the land to anyone.**

All squatters in the Palestinian occupied west bank must move now, since the lease has 36,000 years left to run. YHWH in His love for Yaakov's blood brothers has also provided a home for Esau in Mt. Seir. Its not like they don't have a promised land, but simply put, they hate Judah and don't like the home YHWH gave them. Actually they disobeyed YHWH time and time again and they are recipients of YHWH's chesed /grace considering that He even condescended to give them a home!

**Prior to 1967 there were no Palestinians; they were simply Jordanians. Only after Yisrael retook the west bank, which is most of the key territory promised to them, did these folks emerge under a new title. These Edmoites were simply part of Jordan.**

**Close Zacharyah/Zechariah 12:1-14-in the end the Palestinian occupied west bank will be cleared out by YHWH, as He forces all nations to Jerusalem to engage themselves with the final status talks over Jerusalem's future. It is at that appointed time that YHWH will personally judge (Mattiyahu 25) all nations which came against Jerusalem and the west bank both corporately and personally, as at the same time He evicts the squatters from the land and resettles them into the area around Mt. Seir, as Yisrael is expanded to its millennial boundaries, which includes most of modern day Iraq, Lebanon, Syria and Iran!**
