

## DANGERS OF A DUAL NATURED MESSIAH!

By Sholiach Moshe Yoseph Koniuchowsky

EDITORIAL-As I meditate on the ongoing in depth teaching entitled the DANGERS OF A DUAL NATURED MESSIAH, a reintroduction of my 10 year old teaching on the WHOLE WHEAT UNLEAVENED BREAD, I see the gates of hell very shaken and afraid. Hell's Gates are acting up big time! They are being disturbed by some plain truth!

I see the responses to the truth, as men and women hiding in leadership and so called group leaders self appointed teachers, are manifesting their true colors and their true beliefs as they come out against me because of my stand with Yahushua the Almighty! Unless you yourself protect yourself putting on and embracing the real Adon Yahushua, they will eventually trap and snare you into deity denial, unless you ASK PEOPLE where they stand on HIS deity and if they deny it, you MUST CUT THEM OFF un-friend them and send them on their way! Your salvation hangs in the balance!! Ask people where they stand! Light and denial darkness cannot co exist! One has to take an immediate hike!

Believing in another Yahushua, one that is a hybrid Jewish type of Nimrod, a god-man, is idolatry. So the Gates of Hell have begin to be stirred up over the last 3 weeks and no doubt will continue to manifest the unclean spirits that are anti messiah at the core; they manifest and can be seen in extreme doctrines such as Messiah is all human or a mix of dust and god. There are spirits behind those lies and they intend to aggravate others and create debate and endless discussions. Our

presence on Face Book is to declare truth not create an online debating society. I WANT NO FELLOWSHIP OR FRIENDSHIP WITH ANYONE DENYING THE SHEMA BY NOT WORSHIPPING YAHUSHUA AS YHWH! (Isaiah 9:6, John 14:6) I have no such affiliations other than the ones here hiding in the shadows refusing to declare themselves openly! This teaching is causing many to come of their denial closets.

That's why I appear to be short with folks which I'm not. If people want to learn the real Messiah-YHWH I'm here to declare as His ambassador and help and disciple. If people don't want to meet the real Messiah 100% YHWH with no dirt or mortal dust nature, one that allegedly condones and even demands cannibalism and human sacrifice is a Passover Lamb mixed with dust and ants, I can't help you.

Be aware that if you continue to allow people on or offline, who lie to you about His true nature to influence your thoughts, you will have failed in properly discerning the Masters body 1<sup>st</sup> Cor. 11 and cannot be saved. You all can get angry at me if you want and if it makes you feel better, but John 8:24 is clear. If you all do not start to believe the single divine nature of the great I AM THAT I AM, Adon-The Master Yahushua, you WILL in fact die in your sins. Point of fact and no debating or reasoning on this issue will save you! We can discuss other issues but this one YHWH says in His Word is NOT open for discussion!

So why post this? To not only warn people to stop debating this and simply trust scripture and the very words that came from Yahushua's mouth and to declare to the demons and unclean spirits that despite all your lies and controversies about His deity that you dark holes are stirring up against me and HIS WORD, I will continue to teach and share this longer with more details and passion than before Yah willing, not stopping this priceless teaching because I have met the real Yahushua my Savior, until every unclean demons cries out in pain due to their torture by the TRUTH that sets us free and makes us true

worshippers of YHWH, not of an idol, a so called human image of
