

Don't The Modern Languages All Prove That Saturday Alone Is The True Shabbat?

By Sholiach Moshe Yoseph Koniuchowsky

Question- In many or most languages, Saturday is translated as some form of Sabado-Sabbath. Doesn't that prove that Saturday alone is the original creation week Shabbat, based on all these language confirmations?

Here are but a few examples:

Arabic: *Sabet*; Armenian: *Shabat*; Bosnian: *Subota*; Bulgarian: *Sabota*; Corsican: *Sàbatu*

Croatian: *Subota*; Czech: *Sobota*; Georgian: *Sabati*; Indonesian: *Sabtu*;

Italian: *Sabato*; Latin: *Sabbatum*; Maltese: *is-Sibt*; Polish: *Sobota*; Portuguese: *S ábado*

Romanian: *Sambata*; Russian: *Subbota*; Serbian: *Subota*; Slovak: *Sobota*; Slovene: *Sobota*

Somali: *Sabti*; Spanish: *Sabado*; Sudanese: *Saptu*; Ukranian: *Subota*

Before the Tower of Babel-Babel, where YHWH HIMSELF confused the languages to stop man's evil intentions, the only language used and known was Hebrew, the kadosh language of heaven itself. In the kingdom, the curse of multiple languages will be lifted and Hebrew alone will be spoken as the kadosh tongue. **Zephaniah 3:9. "Then I will purify the speech of all people, so that everyone can worship YHWH together".**

Beresheet-Genesis Ch. 11:

1 And the whole earth was of one language, and of one speech.

5 And YHWH came down to see the city and the tower that the children of men built.

6 And YHWH said, See, the people are echad, **and they all have one language;** and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

7 Come, let Us [Father-Son-Spirit] go down, and there confound their language, that they may not understand one another's speech.

8 So YHWH scattered them abroad from there upon the face of all the earth: and they ceased to build the city.

9 Therefore its name is called Babel; because YHWH did there confuse the language of all the earth: and from there did YHWH scatter them abroad upon the face of all the earth.

So all languages after Babel are the result of sin, rebellion and allowed confusion. We cannot therefore appeal to languages of the earth designed to confuse, cloud or obfuscate truth, rather than reveal truth. Once THE BABEL-CONFUSION of Babel entered, s.a.tan was in position to play with

words and names, so as to infiltrate fallen languages, in order to exalt himself, against the Most High, by shifting mankind to false Sabbats; just as importantly, s.a.tan confused and DECEIVED WITH CUNNING, all of the nations and all of their languages. So regardless of Saturday being referenced by some form of Sabbat or as in Spanish, Sabbado, it means absolutely nothing, other than A RED FLAG TO THE TRULY DISCERNING. Also keep in mind the fact that most of the nations where Sabbath is tied to Saturday linguistically, do not even observe any Shabbat or Saturday Shabbat, so what authority do they have? None! They don't even obey their own linguistic declarations! Daniel 7:25 says s.a.tan's goal is to confuse and deceive mankind regarding all of YHWH's appointed times. What makes anyone think that the devil did this for the annual feasts but this snake somehow decided to leave the FIRST AND GREATEST MOED untarnished as Saturday? Only a fool or an idiot would believe that! Sorry for the strong language but it is true. **The devil has left NONE of the appointed times pure and untarnished; and one of his main vehicles is the games he plays with LANGUAGES! He has left SABBADO or a form of it intact, to make you think it is correct; but the problem is he has assigned it to a day, that actually does not even exist in heaven or in Scripture; but only in man's languages and calendars. A master deceiver is he/she!**

Later in history, YHWH, decided to inspire other Scriptures, in only 2 other languages. Aramaic & Greek. The Greek translations of the Hebrew Scriptures into the Septuagint-LXX, is a collection of Greek manuscripts and the Aramaic Peshitta, which contained the Tanach and New Covenant. Other books and fragments have also been found in Aramaic. **In total there are only 3 languages that we as disciples can truly consider trustworthy, when it comes to YHWH's INSPIRED words and thoughts; all other languages were specifically avoided by YHWH, when revealing the truths from the Scriptures.** So even if we can make an etymological connection of Sabbath-Sabado to Saturday in over 90 languages, it is totally irrelevant, if we believe that all these languages are polluted and used by s.a.tan to further lies and deception. s.a.tan communicates through all the languages of rebellion, "bavellion languages", emanating from the Tower of Babel, as he was the one behind its construction!

YHWH on the other hand, chose only 3 languages to convey His set apart, pure and needed thoughts; they are Hebrew, Aramaic and Greek. Hebrew for the Tanach; Greek for the LXX collection and possibly the Renewed Covenant. So in order to establish that Roman SATURDAY CAN NEVER BE the so called true Shabbat, we need only concern ourselves with the 3 languages of HIS revelation, as all others are s.a.tan's playpen, which is clear.

THE HEBREW WORD FOR SABBATH IS SHABBAT

THE ARAMAIC WORD FOR SABBATH IS SHABBTA

THE GREEK WORD FOR SABBATH IS SHABBATON; Strongs 4521

The origin of the Hebrew Shabbat is derived from the verb *Shavvat Ve Yenafash*, meaning to stop, to cease, or rest. The theological meaning is rooted in Yah's rest, following the six days of creation (Gen. 2:2-3). The Greek noun Sabbat [[sabbaton](#)] translates from the Hebrew noun Shabbat. The noun form is used primarily to denote the seventh day of the week, though it may occasionally refer to the

Sabbath week ([Lev 23:15-16](#)) at the end of every seven Sabbaths or fifty days, or the Sabbath year ([Lev 25:1-7](#)) in which the land was to be at complete rest.

The development of the Greek term for Sabbath, started from the Aramaic term for Sabbath, which was and is שַׁבְּתָא (shabbta). So σαββατων-Sabbaton, is a literal Greek translation of Shabbat or Shabbta and is a Hebraism, or loan word.

So you will note that in the 3 languages of Scripture, the word used is the same Hebrew word on loan; Shabbat; the Hebrew word Shabbat, is basically the same root word used in the Greek & Aramaic Scriptures; they are loaned words from the Hebrew original. A LOAN WORD IS BASICALLY THE ORIGINAL WORD, LOANED TO A DIFFERENT LANGUAGE, THAT HAS NO SUCH WORD.

If we stick to these 3 revelation languages, where YHWH's power and anointing preserved the correct pure concept and the naming of **The Shabbat**, we see no room whatsoever for any pagan connections to the Roman-Jewish SATURDAY, just because the other "Bavelian" languages use words similar to Shabbta, Shabbat & Sabbaton. That is the way the enemy works. He uses this tactic we will call **Close Variance**. That is where the devil twists a truth to make it look like an exact replica of truth, with a cunning to deceive. We see that in Genesis, in the lineages of the righteous versus the sons of Cain, where many have the same name in 2 different lineages, in order to obfuscate-hide & confuse the seed of s.a.tan, from the seed of the righteous Yahwists. In turn, that leads the deceived to think that Cain's line is the righteous Messianic lineage and that YHWH's lineage is the corrupted one of Cain. Oy Vey! Heylel, does this by using and playing with language, like politicians, in this case, names of people. In the case of hiding the Shabbat, Heylel does the same with names of days, knowing that none of the biblical days has a name [only numbers] & that the modern week days are numbered incorrectly to form a false counterfeit recurring set of 7. **So s.a.tan will have you all focus on all the languages originating from Babel, seeming to have some form of the word "Sabbath" (even the Arabs-Muslims have a word for it; think they observe Sabbath?) SEEMINGLY DIRECTLY TIED ETYMOLOGICALLY TO MODERN SATURDAY.** Yet, as we have seen before, YHWH, and therefore we His followers, need only concern ourselves with the 3 languages in which He chose to communicate His inspired Word.

If we stick to the three main languages in which YHWH spoke His Word, we are left with the simple fact that Shabbat is Shabbat & has no connections whatsoever to any Roman-Jewish day of the week or any Roman-Jewish manmade week; and that all languages are irrelevant, as they have been infiltrated by the devil, as a linguistic playground, to confuse-bavel the masses; s.a.tan has planned that all languages will point to a false Shabbat-Saturday, to throw us all [all nations] off. A grand master scheme of the cunning schemer, who sits atop the mountain of the appointed times [Isaiah 14:12-13], has now been exposed. YHWH allows the devil rule over false moادم, for now, so that the remnant may discover the true Shabbat in Torah and lead others in the restoration of David's Tabernacle!

Yeshayahu-Isaiah Ch. 14:

13 For you have said in your lev, I will ascend into the shamayim, I will exalt my kesay above the

cochavim of El: I will sit also upon the Mount of the Congregation-The Mount of the Moadem-HAR HA-MOED [literally in Hebrew], on the sides of the north.

14 I will ascend above the heights of the clouds; I will be like El-Elyon [in establishing my own days, feasts & Shabbats].

The devil is not moving from the false Shabbats, until YOU YOURSELF REMOVE HIM WITH THE REVEALED POWER OF TRUTH in your own life!!!!!! Matthew 28:18-20, First John 4:4! GREATER IS THE ONE IN YOU THAN THE ONE IN THE KOSMOS. ABP

Hello?

Shabbat is the first MOED in Genesis Chapter 2 and Leviticus Ch. 23. Does anyone really think Heylel-s.a.tan has messed with all the appointed times except Shabbat; because he loves YHWH so much? Let us not be so naïve!

Hebrew, Aramaic and Greek know nothing of a “Saturday connection to the first Torah Shabbat” and all 3 languages use the same Hebrew word with a loan word, to the other 2 languages. **Those who continue to accept the Sabbado connection to Saturday, without studying the Creation Shabbat from Torah and from other Scriptures, are ongoing victims of the Genesis Ch. 11 overthrow; because the true Sabbath has been overthrown in their limited and programmed understanding.** The good news is that now is the time when YHWH has come down to deliver us and restore the true Creation Shabbat, based on divine deposit (revelation), that cannot be monkey-ed with by the languages flowing from Chaldea & the Tower of Language Confusion.

A wonderful confirmation is in the priestly Zadokite Temple library in Qumran, where we find the inspired scrolls only in Hebrew, Aramaic and Greek. Selah.
