

I haven't address this subject in a while, so we must obey the Ruach and for our new friends relax and be not shocked when we share TORAH Exodus 21:10.

As I returned from South Florida yesterday, it occurred to me again that in the last few years, that 2 of the best known pastors of 2 South Florida mega churches, have fallen into “multiple affairs” with women, outside of holy matrimony. They lied, cheated, & betrayed their wives, congregants, partners and most primarily their Risen Master. They were forced to practice this sexual immorality in secret (we call that serial monogamy, as in many affairs at once), as the church has not had the revelation nor the boldness to stand up to Greco Roman culture, by adopting YHWH's ways. Even sad to say most Messianics refuse to be humbled and enlightened in this area and are mere images of the church's misunderstanding of male human sexuality. They also walk in great fear of this solution.

YHWH's ways include clear provisions for a man of Yah to love and be in COVENANT to more than one woman-wife, AS LONG AS HE DOESN'T TAKE THEM by force and they are given to him as treasures from YHWH for a lifetime of fidelity. Yet due to pressure and guilt, these globally known pastors ...B.C. and S.T. were forced to live and practice a lie, while partaking of vile indiscretions in secret. They were forced to pretend that they were monogamous before the world and were faithful monogamists, as Scripture “allegedly required,” no doubt condemning anyone who was married to more than one wife, OBEYING TORAH AND DOING IT HONORABLY, just like many heroes of our faith. They became bona fide and dangerous hypocrites, because women admire a man in power and with authority. They become easy

prey for these predators, as they hide behind their pulpits PREYING on women in trouble in life or in their marriage. One face to the public and their families; and another to their secret lovers and mistresses. Now not in all cases, but in many, this kind of religious abuse, sleeping with parishioners, married and unmarried, is obviously due to mankind's sin nature. That is understood. However in many cases it is due to pressure to deny a man's natural inclinations for more than one love, as that is how YHWH made men, as every honest woman knows, as she spends her lifetime keeping an eye, on his eyes, lest they start to wander. So in order to maintain these facades these men both in their 40s and 50s, whom I know personally and through mutual friends, were forced to take their desires underground and engage in abominations, because the church and their perverted doctrines have not shed "TORAH light" upon these men and their ministries, regarding the proper way for a man of Yah to seek this way of life. So in PLACE OF HONORABLE AND RIGHTEOUS BEHAVIOR, WE HAVE SCANDAL UPON SCANDAL UPON SCANDAL, with no end in sight and with no Torah answers coming to them anytime soon, because most believers-leaders are afraid to speak of or introduce this truth to their congregations. In that manner, the solution for such minded men is withheld as they are forced into secrecy.

We are not saying that polygyny is for everyone! I am specifically speaking of those men that if allowed by society and their wife, would freely pursue it. So in the end we have religious abuse, scandal and shame, because a Yah planted desire is not allowed to function under the confines and control of HIS ways and His Ruach Ha Kadosh. The last I heard, one of these mega church

pastors was in Nevada, gaming and whore mongering, while his wife sits back home in Ft. Lauderdale with the children. How disgusting and how cruel to the wife and children of his youth. YHWH hates divorce and whore mongering not polygyny, as most of you have been taught!!! It was said that Caleb FULLY followed YHWH and had a DIFFERENT Ruach (clean ruach) in him. And we see from Scripture that he had 2 wives-pilegeshem. Surely, we must teach others the better way; that is Yah's ways. Shabbat Shalom see you all at 12 PM EST Live.
