

GIANTS-NEPHELLIM-ANAKIM IN TORAH APART FROM THE BOOK OF ENOCH

Recurring pattern. Attack by the fallen Watchers defilement followed by cleansing. Cleansing # 1 Beresheeth 1:1-2. Explain! Genesis 1:9-10 the earth is cleansed from fallen watchers cohabitating with women, as dry land reappears after the purifying waters are gathered. Floods are a type of mikvah for cleansing, recycling, so that salvation from abomination can occur.

Keep the first flood in mind. Jeremiah 4 23-28; "I beheld the earth, and lo, it was without form, and void, and the heavens, and they had no light. I beheld the mountains, and lo, there was no man, and all the birds of the heavens were fled. I beheld, and lo, the fruitful place was a wilderness, and all the cities thereof were broken down at the presence of the YHWH, and by his fierce anger. For thus has YHWH said, the whole earth shall be desolate; yet will I not make a full end. For this shall the earth mourn, and the heavens above will be black; because I have spoken it, I have purposed it, and I will not relent, neither will I turn back from it." The prophet Jeremiah informs us quite clearly of an earth that BECOMES without form and BECOMES void and contains darkness. In the same beat he tells us that birds had fled and cities were broken down (destroyed). If this indeed is telling us of Genesis 1:2 then how can there have been cities that are broken down? Genesis 1:2; "And the earth was without form and void and darkness was upon the face of the waters." We know that this takes place well before Noah's time and the passage goes on to say that there was no man or bird. Yet there is a desolation caused by the Elohim's fierce anger. What is the reason for this fierce anger? Who else is He angry with? It can't be something man has done if he isn't there. Noah and his family were not present before and after the event, and there is no mention of darkness in or after the flood of Noah. This account can't be jumping from creation to the Noah flood because after the desolation described in these verses the heavens are still black.

The Contemporary English Bible tackling of verse 2 in Genesis 1 is also worth noting, as it seems to immediately acknowledge the existence of a land beneath vast waters. Genesis 1:1-2; "In the beginning Elohim created the heavens and the earth. The earth was barren, with no form of life; it was under a roaring ocean covered in darkness. But the spirit of Elohim was moving over the waters." With the exception of the water, all other stages of re-creation that follow this verse are given as renewals.

The Strange Appearance of the word "Replenish"

The next verse has a particular choice of word that should ring alarm bells with anyone possessing a King James Bible. Genesis 1:28; "And Elohim blessed them, and Elohim said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth." The key word here is "replenish," meaning, "to refill" or "fill again." Why in Genesis 1:22 is "fill" found in most translations and six verses later in 1:28 "replenish or refill" used for the exact same word? In the RSTNE its refill and replenish in both verses. Beresheeth 5:23:24- Enoch was TAKEN to be taught and to confront the fallen watchers that returned in the days of YARED his father; meaning those evil spirits that came down. Enoch was being prepared to judge and condemn the action that had returned to the olam. And to protect his lineage from any defilement by the hybrid offspring. Explain.

Noah the grandson and son in law of Enoch WAS CLOSELY EXAMINED by Lamech as they were concerned that his birth was also a hybrid mixture of fallen angels. That's when YHWH revealed that he was PERFECT! Not just in ruach but in seed bloodline! [See the apocryphal letter of Lamech].

Beresheeth 6:1-9. Note that verse 4 states that giants Nephelim were in Noah's day AND AFTERWARDS.... meaning until today. Explain. Genesis 6:12-13 ALL FLESH HAD BEEN CORRUPTED with the abominable seed of the fallen Watchers except Noah and his family of 8. All flesh including animal flesh. That's how widespread the contamination had become. In Genesis 9:18-19 we see that from Noah, his sons and their wives, the earth would once again be refilled. That means that other than Noah's wife, the fallen angels had to steal one of 3 women left after the flood, to intercourse her and once again come down to corrupt the just cleansed human seed. That woman was Ham's wife, stolen from Ham in kidnapping, rape and adultery and defiled by fallen Watchers. This fulfills Genesis 6:4 that states that this angelic activity started again immediately after the flood of Noah, as it did after the first flood of Jeremiah Ch. 4. Genesis 9:18 specifies Cannan who will be cursed, as it is through his mother that Nephelim return once again and Cannan carries that seed as do all his 4 sons.

Genesis 10:8-10 shows us that through KUSH, son of Ham came NIMROD. Just who was NIMROD? We know a few things, but the language here indicates he was such a huge monstrosity, that his POWER, HEIGHT AND DEMONIC STRENGTH made him a well known and famous NEPHELLIM throughout the post flood earth! The term "mighty hunter" before YHWH means hunting others to destroy, with the seed of the watchers before the face and the Ruach of YHWH. This does not speak of a man that

simply liked to hunt. He was a GIANT spoken of as having reappeared after Noah's flood. This son of Mrs. Ham and a Watcher ruled the post flood world. He was only a son of Ham as far as the family tree was concerned; but literally a demon was his abba. Ham's children were all fathered by Watchers! Notice where these hybrid offspring settled. IN WHAT WOULD BECOME THE PROMISED LAND! KANNAN! Genesis 10:15-20! The chosen people would have to deal with them directly, as appointed to do so by YHWH, just as Enoch and to confront them directly; Enoch was taken or chosen to do so and we as believers [chosen people] must confront these giants head on as well! You will also notice that SODOM AND GEMORAH was filled with the cursed offspring of Ham through Cannan. The same fallen angels that defiled women before and after the flood also defiled the men of Sodom and Gemorah by having these Sodomites be the offspring of women and demons, who then went gay so to speak! This activity filled the land of Cannan from Tzidon in the north to Sodom in the south. A recurring activity seen after the flood, now seen in both hetero and homosexual behaviors. We will see that these are the 7 nations of ANAKIM GIANTS that Israel would be in fear of and be required to REMOVE OR DRIVE OUT, even as are today required to do.

In Genesis 11 we see all the offspring of Nimrod and the watchers in unity. The tower was an act of unity against YHWH and the still protected undefiled seed of Shem from where the patriarchs, Israel and Messiah would come! YHWH scattered them to stop the defilement of all flesh again! We see this constant pattern of an unchanging YHWH vs. an unchanging devil.

Numbers 13: 31-33. Explain! Deuteronomy 1:28-29, Deut 2: 9-11, Deut. 2:17-21. Explain all. We see the watchers after the flood increasing more and more becoming different categories of fallen hybrids. Rephayim, Zamzumim and Anakim. Explain. Deut 3:11-13. Israel had destroyed all the Refayim including Og who was 14 feet tall by 6 foot wide.

Deuteronomy 9:1-4, Joshua 11:21-22. Joshua's wars in Cannan were to drive out the fallen giants and replace them with a kadosh seed-nation! Joshua 12:4, Joshua 14:12-14, Joshua 15:13-14. So the wars of Cannan were primarily between the preserved seed of Shem vs. the hybrid seed of the watchers, as we recall that Torah states the Nephelim were giants after the flood as well! In Judges 1:20-21 we see that not all the Nephelim Giants were drive out and many multitudes remain to this day.

Back to Joshua 11:22; only in Gat were giants left. First Samuel 17:4, Second Samuel 21:16-22.

Now we come to the time of Yahushua 1,500 years later. By then these fallen angels had not only filled the earth once again but the land of Israel as well; as there was no subsequent flood or water cleansing since the days of Noah. So at the time of Messiah, it became an impossibility for anyone to guarantee that a righteous seed could still be found. YHWH knew that in order to birth THE SON OF YHWH, He had to eliminate any possibly that all the others SONS OF YHWH, fallen angels, could find their way into Messiah's birth. IT WAS BECAUSE THE GENEALOGY of all the families of ISRAEL HAD BEEN DEFILED, that if He birthed His Son into any of them, including the corrupted House of David, Yahushua would be a hybrid between a fallen ruach and a human, as all flesh had been corrupted once again. THE VIRGIN BIRTH WAS THUS THE BRILLIANT SOLUTION TO THIS PROBLEM, SINCE THERE WAS NO HUMAN GENEALOGY OR HUMAN LINEAGE [flesh] THAT HAD NOT BEEN CORRUPTED AND THAT WAS PURE ENOUGH TO BIRTH THE SINLESS "HOLY ONE" OF ISRAEL. As we re-read Matthew Ch. 1 carefully, we will see that the HOLY SPIRIT entered Mary-Miryahm and overshadowed her, so that both the womb would be holy, as well as the "seed of the woman" and so that the fallen Watchers, out for more strange flesh, could not see or watch, as if they could, they would have entered Miryahm before the RUACH HA-KADOSH did! Mary was ordained from birth to carry this special seed, as this seed was something the Watchers could not produce nor corrupt. They only could corrupt the existing male seed! Matthew 1:20 explains. The angel was telling Joseph not to worry, as she was not impregnated by a man or a fallen son of elohim but by the purity of HIS Ruach. This reassurance is not merely about another man, but about a potential fallen Watcher, as Joseph was well aware of being versed in Torah and Enoch! This birth was guaranteed to be different-kadosh set apart because it was the CLEAN HOLY SPIRIT entering a woman, never having been done before or since! [The understanding of spirits-ruacheem birthing babies was nothing new to Joseph and Mary]!!!!!! What was new was that the spirit birthing Yahushua through a virgin, was the SPIRIT OF YAH herself! Read Matthew 1:20-25, Isaiah 7:14, Jeremiah 30:5. The new thing was that a CLEAN SPIRIT would impregnate a woman and not an unclean spirit! Jeremiah 31:22 and Genesis 3:15. The Seed of the woman guaranteed that our Messiah the Savior would not be just another Nephelim hybrid entering a woman and birthing a hybrid deity!!!! This is exactly why the virgin birth is so hated, attacked and misunderstood! Men [saved and lost] have no problem understanding a demon cohabitating with a woman, but cannot grasp that The Holy Clean Spirit could possibly protect a woman, while she is seeded from the Creator above! Man can accept heavenly angels impregnating women, but not the Almighty who is in heaven! This is part and parcel of their own fallen NAFAL nature.

Close Matthew 24:37-39-Let's discuss exactly what this means! What highlighted the days of Noah and why? What was marriage in those days? What does it mean to be given in marriage in those days? Who is doing the marrying? Who is giving and taking women in marriage? How will the time before His return [right now friends] be exactly like that? Did the Watchers take women or did they take wives? Genesis 6:2. The women today are all defiled [even if you don't believe it, as we are right back in Noah's days] whether single or married and the Watchers take both married and single women! But for godly redeemed women, there is a power of escape, to first be cleansed from defilement by the "blood covering" of the virgin's Son, reversing the cursed bloodline and by a visible sign of that covering. See First Corinthians 11:9-10 and explain.
