

THE GLUE THAT HOLDS THE PROMISE

Part 20 In The Series On Israel's Restoration

The Promise: Genesis 17:5-6.

The Glue: Genesis 15:6A And he believed in YAHUWAH!

THE SAD IN-HOUSE DECEPTION

Sadly there are still many involved in studying and teaching the truth of Israel's two-house restoration that have been greatly deceived. By allowing a mixture of truth and error, some have in many cases actually slowed and watered down the plan of our nation's restoration. Yahuwah has a plan of restoration that He Himself has outlined in scripture. It is much like the plan He personally has outlined for personal salvation in Romans 10:9-10. Failure to accurately follow Yahuwah's fully revealed plan for national restoration, not only leavens the lump of Renewed Covenant Israel but also can in fact cause two-house advocates to miss the mark regarding His plan of action.

Any plan of action, no matter how lovingly and sensitively presented, that does not follow Yahuwah's specific latter day orders, as to how He expects us to properly work in the fields of two-house restoration, actually wind up scattering rather than gathering the flock. We, who yearn for Israel's two-house restoration, must make sure that our own mind and understanding (Proverbs 3:5-6) does not hinder Yahuwah's clearly revealed plan for national restoration. Our nation has

been destined to be reunited as Messiah Yahshua gathers in all the exiles with His precious blood. The question is, will you and I gather His flock according to our plans? For if we do, we will find ourselves re-scattering the very sheep we labor to gather! Or will we gather and preserve the gathered flock by submitting fully to Yahuwah's revealed plan in His Word, despite our personal likes, dislikes and preferences. Unfortunately what the Father sees today in alarming numbers are those who are intellectually and administratively inspired, yet due to personal experience, prejudice or pride, are not following the blueprint that Father Yahuwah has laid out so clearly in His Word.

THE GLUE THAT HOLDS

The deception so sadly prevalent in the restoration movement lies among those who believe that the withholding of Yahuwah's real and eternal Name to new returning exiles, can actually serve to reunite Israel's two-houses! These are those who feel that the revelation of Yahuwah's real and eternal Name is not necessarily part of His plan for new Messianic Nazarene Yisraelites. This deception of s.a.tan has successfully lodged itself in the deepest crevasses of two-house restoration. As we are about to see, the latter day revelation of the Father's personal Name, hidden for the greater part of 2,700-2,500 years, is part and parcel of two-house restoration truth. The teaching of His Name is not optional for blood washed Yehudites and Ephraimites. It is not an issue that is secondary or somehow non-essential, as many would have us to believe. It is not a "pet peeve" doctrine of a few minority radical Sacred Namers. It is not a truth that can be added or touched upon later in the instructions given to a returning exile from the nations. It is not that which turns people away from the full two-house truth, as some have falsely believed. Rather it is the very

GLUE THAT HOLDS TOGETHER the hopes and longings of our nation, as we see Judahites flee Rabbinical Judaism and Ephraimites flee the vain traditions inherited from their fathers in the so called church system. Those who teach that the restored Name of Yahuwah-Elohim is not a necessity or a prerequisite for successful and permanent two-house restoration, are enemies of the revealed desires and will of Yahuwah, no matter how much that person may long for two-house reunification.

This widespread in house deception, is that somehow we as two-house forerunners can choose to teach returnees about Yahuwah's real Name **at some later point** in their walk as an Israelite. That somehow, we can choose a more appropriate and more convenient time to drop the "Name revelation" bombshell upon them. As if somehow teaching the true Name of Yahuwah to a new returning Israelite, would stifle their growth or hinder their search for truth! There are some who teach that two-house truth demands that we allow returning exiles from both houses to hold on to pagan names or pagan name derivations, stabilizing them in their return to the nation by a reassuring infusion of the false name of Jesus or Hay Zeus. That prevailing argument is based on giving the new Messianic Nazarene Yisraelite "a little breathing room". Sounds great. But is that Yahuwah's latter day desire, as revealed in scripture? Is Yahuwah-Elohim as interested in giving new Messianic Nazarene Yisraelites that same "breathing room" that many teachers are willing to allow?

This "lets go slow and be cautious" deception, has bestowed upon itself the sovereignty that alone belongs to Yahuwah our Father, by picking a convenient or appropriate time to drop the "Name revelation". Those who strongly espouse this line of reasoning, actually encourage returning

Ephraim/Israel in their 2,700-year-old errors in the Jesus cult of sun worship practices, officially refined in 325 BCE. These same teachers feel as if 2,700 years of being stuck in the sun is simply not enough time for Ephraimites to have been in error and false heathen practices. Thus they are found appealing for MORE TIME for returning Ephraim and Judah by shouts of "lets go slow". Motivated by fear, which is the opposite of faith, this false doctrine allows both houses to return in error **and stay in error**, until a more convenient or later time. This is the sad in house deception that threatens the very existence of Messianic Nazarene Yisrael's two-house restoration. It is not for us as forerunners in Messiah's body, to choose the times and the seasons for teaching the true Names of the Father and Yahshua to His wayward sheep. The Father and His Son alone have the dominion to choose the seasons of refreshing and have in fact done so. They have determined that the true Names of Yahuwah and Yahshua must be taught to ALL RETURNING EXILES FROM BOTH HOUSES IMMEDIATELY UPON THEIR RETURN!

Only those who are deceived, allow new returning exiles to remain in the errors of both the "HaShem Doctrine" for Judah and the "Jesus Doctrine" [See *endnote 1*] for Ephraim. Don't be deceived by those who teach that the "loving thing" to do is to just let both houses call on false Names for Yahuwah for a season of adjustment, until a later time, so as to lovingly allow them room to grow into the revelation of Yahuwah's true Name. Under the guise of "love and sensitivity", they allow the ancient heathen practice of ineffability, (avoiding the true personal name of a deity) to leaven the restoration of both houses. They claim that those who teach the true Names of Yahuwah and Yahshua by **INSISTING** upon their immediate usage by all new Messianic Nazarene Yisraelites, are somehow being unloving, "mean spirited" extremists. As we are about to discover, the

withholding of Yahuwah's true Name is the most unloving and mean spirited thing a two-house forerunner can do in light of the Father's Word. The Father's Word makes things crystal clear. Both houses have been falling short and wandering for far too long. The Father's expressed desire is to restore all things **right now** before Yahshua's return (Acts 3:21). The Father in heaven has adopted this extremist position. That position is that **ALL HIS REGENERATED CHILDREN AMONG HIS PEOPLE ISRAEL, ALL IMMEDIATELY COME TO KNOW HIS NAME!**

THE FAULTY CLAY

It is not left to the clay to determine when to "reveal" the Name of Yahuwah to the returning Israelite. To withhold that revelation for what seems to be a more convenient or appropriate time is to deny Yahuwah's clarion call. That call is **DO NOT RESTORE AN ISRAELITE, WITHOUT ALSO RESTORING MY NAME. BOTH ARE SIMULTANEOUS AND CONCURRENT EVENTS.** They go together as does love and marriage and a baseball bat and ball. You cannot legitimately claim to have the game of baseball without a ball. Yahuwah has seen Ephraim's wandering for 2,700 years and has determined that now is the time for them to relearn that set apart Name, so as to enjoy the full fruits of national repatriation. Yahuwah has also seen fit to reveal His Name to those returning from Judah immediately upon their return. He has seen their waywardness for 2,500 years and is doing a quick work in the earth. Yahuwah will oppose the ministry and the teachings of all those caught in this web of deception who clamor for the application of personal preference, personal positions and timetables, under the guise of patience, love and sensitivity.

These folks believe that they have the divine ability to

accurately determine the appropriate time when both houses will be ready for the revelation and adoption of the true Names. The truth of the matter is that those in Messianic Nazarene Yisrael who do not teach and disciple in the true Names IMMEDIATELY upon the exile's repatriation into Israel's Commonwealth are by their anti-Messiah actions opposing the very will of Yahuwah Almighty. Those who claim that we don't need to "immediately hit people over the head" with the true Name, justify their actions of not teaching and insisting on the teaching of the Name, based on a misconception of true *agape* love. True *agape* love tells the truth first and then wraps the truth in a blanket of love. True *agape* love does not withhold any biblical truth in exchange for acceptance, increased NUMBERS or pseudo love. LOVE IS NOT AND NEVER WILL BE MEASURED IN NUMBERS! **Love is only Yahuwah's love when wrapped around the blanket of truth.** To allow returning Yehudites and Ephraimites to continue in blasphemous errors of 2,500 and 2,700 years respectively is not *agape* love but a pseudo love, which is not the *agape* rescuing kind of love. Those within the movement, who follow these ways, live their lives based on fear and intimidation. Many even teach that giving a returning Israelite a bible with the true Names preserved is heretical, even labeling those who teach the true Name as heretics. Those who promise to eventually get around to teaching the true Name invariably feed the flock on the old pagan names, until they determine that the sheep are ready. What they fail to perceive is that a Messianic Nazarene Yisraelite by definition IS READY, as they have already voluntarily left their so called church system and come to us for basic instructions before leaving earth. These returning exiles are not interested in teachers with itching ears but rather in teachers with the pointed finger of truth. Those who teach a "go slow" approach have greatly misjudged the heart

preparedness of those who have come to us ready to receive instruction and direction. They arrive ready! Are we ready to feed them correctly? Or, will we follow the Jack Nicholson line to Tom Cruise in the classic movie *A Few Good Men*, when Nicholson tells Cruise **"YOU CAN'T HANDLE THE TRUTH!"**

All this withholding of truth based on human intuition, emotion and number projections, remind us of Messiah Yahshua's very own statement that the leaders of Israel in His generation did not enter the kingdom themselves and worse yet, were not allowing others coming to them to enter. Those who claim that it is "mean spirited" to "shove the true Name issue down people's throats", are the same ones who have sent forth a blanket condemnation of all those who do carry sacred Name bibles and who teach and instruct in the true sacred Names. The condemnation that has flowed from this "more loving and balanced camp", has been some of the most foul, hateful, vicious and accusatory racist literature, [even threatening a cleansing and purging of sacred name Messianic Nazarene Yisraelites and white two-house South Africans] all done in order to "preserve the liberty and loving atmosphere for the continued usage of the Name of Jesus", until a more convenient time. *[See endnote #1 regarding the problem with the translated name of Jesus]* Yet 2 Cor. 6:2 reminds us that **now is the time** and day for salvation along with Acts 3:21 and Malachi 4:5-6, which reminds us that **now is the time** for national restoration to begin BEFORE the great and terrible Day of Yahuwah.

Others who are staying with those who teach this erroneous mixed up and confusing syncretized worship while claiming to be a helpful light to those in this error are also living in this same great web of deception. Thousands over the last 1,700 years have also claimed that the Father has "called them" to

"stay in the Roman Catholic Church", in order to "be a light" and bring about change. Yet how many of those who did stay have been successful in bringing any real and lasting change in popery? Has anyone that you know of succeeded in bringing any lasting or significant change by staying in the Roman Catholic Church? The answer is clearly NO! And, neither will we rebuild and restore Israel with a pseudo love, cloaked by pseudo expressions of tolerance towards those who think they can be Israel restored and still hold onto the false traditions and religious spirits associated with the names/titles of Jesus, HaShem and God.

TRUE LOVE

Rev 18:4 "come out of her [MY PEOPLE]" is a clear response to those who claim they are trying to bring the two-houses along slowly by weaning them to maturity or by allowing for a little error for a short season. Powerful scriptures such as 2nd Cor.6:16-18, Genesis 12:1 and Exodus 19:5-6 all demand that we as [Israelites] "come out from among them [nations]", THROUGH SEPARATION by separating ourselves from this blasphemous error. These scriptures leave no room or time for a call to stay with within a system that cries Jesus, Jesus or HaShem, HaShem. Truth and mercy kiss and mercy only becomes mercy when it kisses truth, since it is truth that sets free (Yochanan 8:32). Withholding the truth of the true Names for a more convenient and appropriate time, leaves no real lasting mercy, since truth has not been allowed to kiss mercy and without truth, freedom from error's bondage cannot occur. Those caught in the let's "wean them off of Jesus and God" as opposed to, the prophetic and bold loving call to call them away from the pitfalls of the false gospel of a bacon consuming, Jew hating "church" Jesus, are the lines of demarcation drawn in our movement today. Both camps claim to be right. One weans returning Israelites

slowly not making the true Name an immediate issue. The other side calls returnees to renounce the vanity of their anti-Messiah past religious life IMMEDIATELY upon accepting Messianic Nazarene Yisrael truth. Who's right? Let see what Yahuwah has to say. With Him must rest the final word!

THE SCRIPTURES SPEAK

In Jeremiah 16:19-21 Yahuwah states that the latter day nations, (Gen. 48:19-Ephraim) will come to Yahuwah with this confession: "Our fathers have inherited ONLY falsehood, futility, and there is no value in them." So the "wean them slowly crowd" that encourages Ephraim to "hold onto Jesus if they want to", diametrically opposes Yahuwah's prophecy that in their learned and inherited non-Israelite traditions while among the nations, **THERE EXISTS NO REDEEMING VALUE AND ONLY FALSEHOOD.** Therefore those who insist on "temporarily" withholding the teaching of the true sacred Name are discipling the returning nation in pure falsehood by not insisting upon their IMMEDIATE AND TOTAL renunciation of inherited falsehood and vanity, since that is all that they have learned! Jeremiah 16:20-21 continues: "Would a man make mighty ones for himself which are not mighty ones? Therefore see I am causing them to know [at] **THIS TIME**, I cause them to know my hand and my might. **And they shall know that MY NAME IS YAHUWAH!"**

A characteristic of one from the nations returning in the last days, who has personally experienced the right hand and might of His personal salvation, is that in place of the falsehoods, Yahuwah would Himself cause returning exiles to KNOW HIS NAME! By clear logic and implication, those who have not been taught His Name are still involved in the customs of the nations and have not left their falsehoods and

vanities. In Jeremiah 23:5-6 in speaking of the ruling King Messiah from the House of David, the Heavenly Father calls His Son Yahuwah Our Righteousness or Yahuwah *Tzidaknau*. Yahuwah the Father states that anyone who comes to salvation and/or safety in Messiah will know Him as YAHUWAH TZIDKANU. Again the clear implication is that only those that know Messiah by his real Name of Yahuwah who saves (Yashshua) will be safe and saved. Jeremiah 23:6 states that in the days of two-house restoration when "Judah gets saved and Israel (Ephraim) is safe" again in the land and in Messiah, Yahuwah will once again be known as YAHUWAH OUR RIGHTEOUSNESS. Not as Jesus or HaShem or God [*see endnote #2 for an explanation of the name God*] our righteousness. This is confirmed in Jeremiah 33:16.

Jeremiah 23:26 calls all those who occasionally use the Name of Yahuwah, but then sprinkle their teachings with Gods/Jesus's etc. and thus mix their teachings with other false names of vanity, are false prophets and deceitful teachers. Through their double mindedness, they cause people to "FORGET MY NAME", in exchange for false dreams. Those who teach that the restored people of Messianic Nazarene Yisrael can pick and choose when and if they desire to recite and call upon the Father's true Name at a time of their own choosing are dreaming falsehoods and causing others to dream falsehoods! And these false dreams are causing both Judah and Ephraim to continue in their falsehoods of the HaShem/God and Jesus doctrines, with both false titles and names respectively for the true Elohim of Israel.

Those in the Israel restoration movement who arbitrarily postpone or withhold this truth by slowly weaning the repatriated citizens of Israel, are said to be continuing in the

errors of past prophets, lying scribes and fathers of Israel. Romans 14:22C reminds us that "blessed is he who does not CONDEMN himself, in what they approve." When one accepts the Renewed Covenant IMMEDIATELY upon entering that covenant, they are said to have the blessed ability to "KNOW YAHUWAH." Therefore through man's teachings they may have known about HaShem/God or Jesus. But when one is said to truly and sincerely enter the Renewed Covenant, (Jer. 31:31-34) they will come to know Yahuwah as Yahuwah. According to Jer. 31:34, ALL WHO TRULY AND WHOLEHEARTEDLY ENTER THE RENEWED COVENANT WITHOUT ANY PERSONAL AGENDA, WILL **ALL KNOW YAHUWAH!** Not HaShem/God, or Jesus/God!

KNOWING HASHEM/GOD?

How many believers do you know who know Jesus or HaShem, but do not know Yahuwah, since we cannot claim to know someone and call upon someone intimately, without knowing His Name. Where in Jeremiah 31 do we see Yahuwah slowly or methodically weaning those who come to Him? Just the opposite! All who IMMEDIATELY ENTER, sincerely all get to know Yahuwah RIGHT UP FRONT at the start of their Renewed Covenant journey! The promise of Jer. 31:31 is set in a clear two-house context. It states that the Renewed Covenant, in which those entering will learn His true Name and His truth, will be those from THE HOUSE OF ISRAEL (Ephraim) AND THE HOUSE OF JUDAH. To lay a claim to be from either house means that you have had a revelation of His Name and of knowing His Name, since according to scripture it will be the remnant from both houses re-entering the Renewed Covenant, that will surely get to know Him as YAHUWAH. To claim to be an Ephraimite with a desire to hold onto 2,700 years worth of old baggage which gets heavier with each passing day, is to ipso facto

declare that you are NOT AN ISRAELITE just yet, despite protestations to the contrary. You may be an apostate Jew or a papist type double minded Christian! But an Israelite? Not yet Bubba! National Israelite status is determined by DAILY lifestyle choices UNTO SEPARATION not just by DNA.

ACKNOWLEDGE FIRST THEN PRAY

Jeremiah 33:3 states that to call to Yahuwah for answers, is to first acknowledge His TRUE Name. No acknowledgement; no answers for two-house Israelites. What good is it being a Messianic Nazarene Yisraelite, if when you pray and call to Him, He does not answer? Could it be that He only answers those who are establishing their prayers in a Renewed Covenant setting by calling upon Yahuwah? Jeremiah 50:4-6 is a wonderful reminder as to the heart's desire of Yahuwah regarding His Name being taught and restored IMMEDIATELY when a Messianic Nazarene Yisraelite comes to Israelite faith! In Jeremiah 50 verse 4 Jeremiahs speaks of both houses coming back together weeping in tears of *teshuvah*. As they return, it is no longer HaShem or God that they seek. But a new thing happens in two-house restoration. They both together SEEK YAHUWAH, the Elohim of their fathers and the Name that their Israelite fathers knew Him by!! How can both houses seek Yahuwah IN ONE ACCORD without both being taught the same Name IMMEDIATELY UPON ENTERING the Renewed Covenant? First both houses must LEARN His Name BEFORE calling upon it together. Any other order would be a sin of presumption. If we methodically and gradually wean Israel away from pagan Names under the guise of love and mercy, with one house crying out to HaShem and Elokim, while the other cries out to Senor Jesus God, where and when will all this promised togetherness come in? In order for the joint weeping and joint calling upon Yahuwah's Name to take

place together, BOTH HOUSES MUST BE REMOVED FROM FALSE NAMES together and then placed into the mind of Messiah Yahshua together, BEFORE unity can take place. If either house is instructed at a later, postponed or more "appropriate time", then biblical unity and *teshuvah* by definition is postponed until the time that proper instruction goes forth to both houses. In that scenario, unity in the present remains only a dream. The present ungodly practices in both houses are bonded around the false terms God and Jesus. These terms are currently used by both houses, as FORBIDDEN substitutes for Yahuwah's real Name. This is an obvious flaw referred to in such verses as Isaiah 8:14. So admittedly there is a pseudo-unity, [kind of like the Oslo (meaning toilet in Hebrew) Peace Accords] but it is a false sense of unity underwritten by falsehood. Yahuwah's desire is to break this false sense of unity and bring about true everlasting unity around His one and only everlasting true Name.

The Jeremiah 50:5 declaration is one of a united nation, properly called out of Babylon, not weaned out of Babylon crying "let us join YAHUWAH in an [the] everlasting covenant [Renewed Covenant] never to be forgotten." Did you catch that? When we pledge as both houses to never forget Yahuwah's true eternal set apart Name and we seal that pact with His Son Yahshua in the Renewed Covenant, Yahuwah says He will never forget us for having entered into the eternal covenant of eternal life in His Son! If we choose to immediately discontinue the practice of forgetting or neglecting his Name by rejecting the proposed season of "Ephraimite weaning", Yahuwah pledges never to forget us as recipients of the everlasting covenant made with both houses in His Name and the Name of His Son, which are both Yahuwah. The crowd that screams that the true Name Doctrine is not crucial in Israel's restoration and need not be

immediately "shoved down people's throats", pleads for a season of weaning and tolerant delay, until the Name can be taught. Jeremiah 51:45 speaks nothing of this foolishness, rather calling both houses returning from Babylon to **COME OUT OF HER [IMMEDIATELY] MY PEOPLE!** You cannot come out slowly, for to come out slowly is not come out but to be stuck with one foot in Babylonian falsehoods and one foot on Zion's Road. That kind of return to Zion results in spiritual groin pulls. Just ask Mrs. Lot!

THE MAIN REASON FOR OUR LONG NIGHT OF EXILE

As we press forward in the scriptures we see in Ezekiel 36:17-24, that **THE MAIN REASON** that the House of Israel (Ephraim) went into lengthy exile and **REMAINED** in exile physically and spiritually, is because while in the land of Israel, their idolatry was highlighted by a pollution of the true Name of Yahuwah. They then took this practice into the nations of their dwellings and continued to pollute the set apart Name in their new lands of exile. The Gentiles [non-Israelites] recognized that Ephraim or non-Jewish/Israel was in their midst because of the pollution of the set apart Name. Yahuwah has made a promise to Ephraim/Israel found in Ezekiel 36:21. **"But I had compassion on my set apart Name, which the House of Israel [Ephraim] had profaned among the gentiles wherever they went."** Yahuwah then goes on to say in Ezekiel 36:22, that He would do a marvelous work in the House of Israel, in order to bring their physical and spiritual exile to an end. Not because of their own virtue but because He was sick and tired of having **HIS NAME POLLUTED EVERYWHERE AMONG THE GENTILES WHERE** Ephraim/Israel went. He will restore and reestablish His true Name among the very same nations where Ephraim/Israel had polluted that same set apart Name. The glue that holds national restoration is the reintroduction and

cleansing of the pollution brought about by the house of non-Jewish/Israel's blatant misuse of the Name, in verse 24 of Ezekiel 36. Yahuwah promises to bring the ten tribes back into the land of Israel and the Commonwealth of Israel, to end Ephraim's pollution of the true eternal set apart Name of Yahuwah.

It is clear that non-Jewish believers who return to Torah, Shabbat and the feasts and love Jewish/Israel AND ARE IN A HURRY TO COME OUT OF THE CHURCH SYSTEM are in fact returning Ephraim. A mark of a repentant Ephraimite in scripture that marks him as a returning Ephraimite, is his or her willingness to carry the Name of Yahuwah back into the nations in the same manner as which he or she previously rushed to pollute it while among the nations. Rav Shaul (Paul) recognizes Torah observant non-Jewish believers WHO USE THE SET APART NAME AS RETURNING EPHRAIM/ISRAEL. This can be found In Romans chapter 2:23-24. Rav Shaul reminds returning Ephraimites that if they are going to boast in Torah as full citizens of Israel's Commonwealth, they must IMMEDIATELY leave, repent and renounce their past pollution of Yahuwah's sacred revealed Name. He warns them in Romans 2:25 that continued pollution of the Father's Name, will in essence declare their new circumcised heart status, as once again becoming like any uncircumcised heathen.

Clearly Rav Shaul takes a scripture written EXCLUSIVELY to the House of Israel (Ephraim) by Ezekiel and applies it to Torah boasting non-Jewish Renewed Covenant believers. One can thus state that a resolve to immediately cease and desist from polluting the true Name, is a wonderful sign of the veracity of the claims of returning Ephraim, as well as a mark of a sprinkled and cleansed circumcised heart (Romans 2:26, Ezekiel 36:25-28). In Ezekiel 23:11, 30 & 31, Yahuwah

accuses treacherous Judah of copying Ephraim and partaking in the exact same sins. Both houses then have practiced this pollution by taking His Name and bringing it to naught and both must come together in full and IMMEDIATE repentance in this hour of power. No true biblical call to repentance is set in any future setting but as an overriding, pressing, immediate and present need. Those who make ALLOWANCE for both houses to temporarily stay in error are pushing back any immediate call for repentance by encouraging some future allowance for repentance. **This principle of postponed repentance cannot be found ANYWHERE in holy writ.** Biblical repentance must be immediate upon a revelation of the nature of an underlying sin, which in this case is the pollution by both houses of Yahuwah's Name.

We see then that it is not a matter of weaning returning Ephraim away from the pollution of the set apart Name among the heathen. Rather it is an issue of imminent and verifiable identification of ones claims to Ephraimite or Judahite DNA! For if according to Ezekiel and Rav Shaul one claims to love Torah and one claims to have been rescued from the heathen in a spiritual return to the ways of Israel, then by definition he or she must manifest that Israelite connection by an IMMEDIATE WILLINGNESS TO REIDENTIFY WITH THE TRUE NAME OF YAHUWAH ELOHIM! That Name remains the same one that the Father used when He signed His *ketuvah* (marriage contract) with Israel at Horeb. This call is immediate and does not include a period of slow and gentle weaning into the set apart Name. FAITH WITHOUT WORKS IS DEAD FAITH (James/Yakkov 2:17)! Prayer and pity is needed towards those who proliferate this "be tolerant and patient" heresy in ever increasing numbers for the sake of numbers, or pseudo-unity.

A true Israelite will not mind any demand upon their person, when presented in a pure loving IMMEDIATE call to return to Israel's Commonwealth by being identified with the Father of Israel by carrying His Name. If the 144,000 Israelites from all 12 tribes of Israel will be identified as righteous Israelites by carrying the Father's Name in and during the Great Tribulation, then that same mark identifies a real Israelite after Yahuwah's own heart in whom there is found no guile in this present age as well. He is the GREAT I AM not the great I will be! A true Israelite, will answer the call of repentance from the sin of Name pollution in the present, in order to carry the true Name to his brethren still wandering among the spiritual and physical heathens IMMEDIATELY upon receiving this truth. For he or she, if truly an Israelite, will gladly carry that Name well, without any period of self imposed or denominationally imposed weaning. Ephraim and Judah have had 2,700 and 2,500 years respectively to be weaned off of polluting Yahuwah's true eternal Name. A true Israelite will want to end this pollution immediately, without a stupefied call for an extension of that weaning period. This is not a time for a call to weaning. Rather it is a time for the telling of the truth wrapped in the blanket of love. The heart of a true Israelite will boldly and anon receive the true Names, as a mark of returning Israel and will like Yahshua the Son of Yahuwah, IMMEDIATELY declare it to his or her returning brethren!

WWYD

Often an Israelite must stand up and declare true Name truth in the midst of a Name defiling congregation or denomination (Hebrews 2:12, Psalm 22:22). True praise and worship must use the set apart Name in returning Israel according to Hebrews 2:14. How dare those in leadership amongst returning Israel make any allowance for a mixture (forbidden

shatnetz) of BOTH polluted and pure worship and teaching, that alternates between praises to JESUS-HEY SEUS and Yahuwah. For any student of scripture it will soon become apparent that ISEOUS/JESUS/GOD AND YAHSHUA simply is not the same person (John 5:43). The true eternal Yahshua arrived on earth in His Father's Name Yahuwah. He was Named Yahshua/Yahoshua after His Father's Name Yahuwah. The historical church JESUS is a product of "Greco-Roman church theology" and a result of man's defiling dreams, that teach how to hate Jews, eat pig and ask Yahuwah for new extension periods, to slowly wean Ephraim and Judah away from Name pollution and idolatry. Yahshua DEMANDS that you and I end our pig eating, Shabbath breaking and Name polluting ways, BY OUR OWN VOLUNTARY SEPARATION from this mess! Jer. 31:31 makes it clear that the two-houses both enter the Renewed Covenant by calling on and knowing both Yahuwah's character and His Name for His Name is inseparable from His character. *[See endnote #3 for an explanation of how Jesus/Yahshua became two different figures, though at one time 2,000 years ago, Jesus may have been acceptable but cannot be today]*

Ezekiel 37:22 reminds us that in the days and the hour when Yahuwah begins the reunification of the two nations of Israel back into one, it will be done and marked by a new reverence and respect for Torah, which is and was and always will be the marriage covenant between Yahuwah and His people. It is that *ketuvah* or marriage agreement that Yahshua came to renew and reconfirm. According to verse 24 of Ezekiel 37, the days of two-house unity and reconciliation would be characterized by a full return to Yahuwah's Torah and just rulings. If this is true, then that return must include by definition, a full and complete return to the *mishpat* of Exodus 20:7. In Exodus 20:7 Yahuwah warns all Israelites

not to bring His Name to naught or to *shaww* meaning desolation, emptiness, ruin and destruction. The Hebrew word for vain in this context is properly translated as ***emptiness***. If we are in Israel's early stages of two-house reunification through Messiah Yahshua and if these days are characterized by a return to all of Yahuwah's laws and rulings, then that includes the third commandment. Yahuwah is calling all Israel to repent from Name pollution by restoring it and hallowing it and by calling on it and spreading the gospel through it. **It is high time we turn in our used doctrinal lemons for spiritual emissions testing.**

Any attempts, doctrines, denominations or organizations that do not call for an immediate two-house joint return to the true revealed Name of Yahuwah in Israel's restored Commonwealth, is propagating a false message of postponed repentance, given by shepherds who are being misled, instead of showing themselves to be Berean type students. Those are strong sentiments but they are Yahuwah's very own sentiments. Our blessed King is tired of the Name pollution and has rescued returning Ephraim as well as Jewish Israel so that the Name pollution can be cleaned up. Forerunners must lead a charge into the pure gospel waters that restore the Name in an unpolluted manner. Father Yahuwah now calls and yea demands, that the very ones who began the global pollution, must take the lead and end the pollution by correctly instructing His returning sheep during the cleanup.

OTHER PROPHETS BEAR WITNESS

To those actively involved in preaching and teaching two-house restoration, using the true Names is not optional. Yahuwah is not pleased with a mixed message, any more

than He is with mixed worship that alternates between Yahuwah and Jesus. Those who teach in Yahuwah's Name must also write in His Name and those who write in His Name must also teach in His Name. Consistency is most paramount for the times in which we live. A two-house restorer of the breach in our nation must not in any way shy away from being labeled as a Yahwist or a cultist by public opinion! Yahuwah will use Yahwists as leaders in Israel's two-house restoration. Messiah Yahshua was often called Beelzebub (s.a.tan) in His stand for truth. Who cares what people may or may not say about Yahwists. Yahshua is a Yahwist and we must be proud to be Yahwists as well!

This is the time for full understanding through full repentance and it is the Master's desire for all heretofore published books and pamphlets to be rewritten using the true Names and bringing to an end widespread Name pollution in Israel. That is what has caused our forefathers to be carried away in the first place. Consistent propagation of Yahuwah's true Name is the mark of one's true claim to be a returning Israelite. **IT IS YOUR PROOF OF CITIZENSHIP. IT IS THE PROOF OF ID YOU'VE BEEN LOOKING FOR!!!! WHY NOT USE IT? DON'T LEAVE YOUR OLD CHURCH WITHOUT IT!**

ISRAELITE WANNABEES?

When Boaz accepted Ruth the Moabite, she underwent a process of Israelite citizenship. Boaz received her by placing the sacred Name upon her, (Ruth 3:10) even as Aaron and all the priests were commanded to do **TO ALL ISRAEL'S CHILDREN** (Numbers 6:22-27). The Name of YHVH itself is the only citizenship papers and national ID cards that Yahuwah has provided for His chosen nation. Israelites were destined to carry His Name to the nations. Failure to respond

to that holy calling immediately upon repatriation by Messiah Yahshua, is a sign that those who claim to be Israel, may be nothing more than Christians who "wannabee Jewish." That is how serious this issue is! ALL ISRAELITES, IN ALL AGES, IN ALL CENTURIES, [prior to 721 BCE and then 586BCE] GLADLY CARRIED AND WERE MARKED AS SET APART BY THE SET APART NAME OF YAHUWAH. ESPECIALLY THE PRIESTS! ACCORDING TO REVELATION 1:6 ALL BELIEVERS IN YAHSHUA ARE PRIESTS AND THEREFORE MUST CARRY HIS NAME WITH GREAT JOY!

If this task for this responsibility is so burdensome and often loathsome to those who ridicule true Name bibles and sacred Name literature, then the probability is high that they are not DNA Israelites, despite their comical objections. This may sound radical or perhaps judgmental to some but radical pollution calls for radical eradication measures of that same doctrinal pollution, through the voice of burdened prophetic correction.

Hosea has much to say about the two-houses being restored, as those who use the true Names are identified as returning repentant Israel. The acceptance and immediate receptivity to the true eternal Names after 2,500-2,700 years of its masking and non usage is a covenant mark of returning Israel. We find this truth in Hosea 2:16, where Yahuwah declares that in the end times, HIS PEOPLE, (not mere professors) will forsake referring to Him as "my lord" and instead will refer to Him as "*Ishi* Yahuwah" or Yahuwah my husband. WHAT WIFE DOES NOT KNOW HER HUSBAND'S REAL BIRTH NAME? Again we see this intimacy with Yahuwah in the latter days for Israelites tied with the usage of the declared Name of Yahuwah. Hosea 6:2-3 states that after 2 days or 2,000 years, returning Ephraim will PURSUE or RUN FAST in their full return to

Yahuwah. This prophetic pronouncement goes against the grain of these overly cautious and overly sensitive forerunners, who have advised us to "take it slow" in our PURSUIT of Yahuwah's latter day revelations. **Hosea 13:4 boldly declares that Ephraim's Savior is Named Yahuwah. Is that what you teach?**

In Yoel (Joel) 2:27-31 in scriptures set in a clear latter day context, the giving of the Ruach HaKodesh to the sons and daughters of Joel's people, is first conditional on those offspring to "know that the One in the midst of Israel is Named Yahuwah-Elohim" and that all who adopt this truth of His Name, will never be put to shame. Staunch true Name opponents, constantly remind us that both returning Jews and Ephraimites "may not be used to the true Name" and therefore we should walk gingerly when depositing this truth with them. As usual this fear based approach flies in the face of the biblical admonition that those who come to know the Holy One of Israel as Yahuwah, WILL NEVER BE PUT TO SHAME OR NEVER WILL BE FOUND APOLOGIZING for this revelation! Joel 2:32 makes it clear that the SURVIVING REMNANT of Israel returning to Yahuwah and being filled with the Ruach HaKodesh in the last days, will be those WHO CALL ON THE NAME OF YAHUWAH! Our forefathers had never eaten manna before their wilderness wanderings (Deut.8:3). Did that mean that they should starve since the manna was not a familiar food source?

So while one can argue whether calling on the true Name is or is not an issue of salvation, one cannot argue that the remnant redeemed Spirit filled Israelites who received the Ruach on Mt. Zion in the 1st century, as well as in all other generations, are marked as the returning SURVIVING REMNANT of the exiled of our people. Once again it is a mark of returning Israel. There are THOSE WHO ARE

EMBARRASSED, HESITANT, OR SLOW TO PUSH the true Name of the Father. They may be those who have claimed Israelite heritage but have not been marked as such by Yahuwah. Or to put it another way, they are those who claim to be the returning survivors of the exile but don't have the necessary biblical criteria, (Yahuwah's Name) to establish, prove or make their claims solid. True Israelites are not ashamed of the revelation of the true Name and are said to be those who have taken latter day refuge in Israel, as they look to Yahuwah alone as their stronghold during the Great Tribulation (Joel 3:16). Only full trust in the true Name of Yahuwah will serve, as the only protection that protected believers will have to guard them as we go through the coming Great Tribulation. For those with an aversion to the true Name due to unfamiliarity, may you quickly "get over it", before the Great Tribulation!

Amos 9:11-12 identifies those Israelites returning from the nations as true Israelites if the NAME OF YAHUWAH IS UPON THEM OR PLACED UPON THEM OR CARRIED BY THEM. Amos 9:12 makes things perfectly clear. Yahuwah will raise up David's fallen Tabernacle not with those who claim to be Ephraim and Judah and yet still sing songs to HaShem/God and Jesus. Rather Yahuwah states that TRUE DNA ISRAELITES, WILL BE MARKED BY CARRYING HIS NAME WITH THEM IN THEIR RETURN TO ZION AND BY THOSE WHO ARE NOT ASHAMED OF THAT REVELATION, since Yahuwah closes Amos 9:12 by stating **"it is I who does this!"** So we see numerous proclamations of the prophets who call Israelites to speedily and unreservedly identify themselves by the true Name as they pursue the truth of the revealed eternal memorial Names versus a new breed of teacher, who cautions us to go slow since 2,700 & 2,500 years respectively are just not enough time for Ephraim and Judah to repent from the error of their ways.

Those who pursue Yahuwah biblically are in such hot pursuit of truth that they have no time or patience for a manmade period of weaning both houses off of paganism. Those who follow these teachers of compromise are also well on their way to being destroyed in their return to Israel. Plenty of love has been shown the two-houses as Yahuwah has shown patient love for 2,700 years and will not allow, any more time for His people to continue in their old error. The time for weaning is over and long past. The current moment is most urgent! Today the cry emanating from Yahuwah's throne is **COME OUT [NOW] OF HER MY PEOPLE!** Notice only **His people** Israel [my people] are willing to come out. The ticket to coming out is a *teshuvah* through Messiah Yahshua and through the re-adoption of the eternal Name of her Creator. Yakkov HaTzadik, (James the Just) confirms this truth in Acts 15:19 by quoting Amos 9:12. Interestingly enough he uses the word ***epistrepho*** for **returning** non-Jewish/Israelites, who carry Yahuwah's Name. By using the word ***epistrepho***, Yakkov recognizes that returnees from among the nations, were being called by and responding to the Name of Yahuwah and were in fact rebuilding the Tabernacle of David.

Micah also speaks much of the latter days when Yahuwah's Name will be restored as an identifying mark of retuning Israel. In Micah 4:1-5 we see all nations going to Mt. Moriah in the latter days to learn Torah. And a crucial part of what they will learn in the latter days highlighted by a return to Torah will be Yahuwah's true Name according to Micah 4:5. **"For all the peoples [nations] walk each one in the Name of his mighty one, BUT WE WALK IN THE NAME OF YAHUWAH OUR ELOHIM FOREVER AND EVER!!"** The only way to outwardly recognize remnant surviving and repentant Israel is by an acceptance of two-house truth,

Torah as well as by WALKING FULLY in the Names of Yahuwah and Yahshua as a returning Israelite! In like manner, almost all other religions and denominations can also be identified by their walk or discipleship done in other names and titles, including other false manmade names for the Creator.

Whether one finds this truth palatable, challenging or repulsive is irrelevant. Truth is truth and error is error. Returning remnant Israel is characterized by the usage of the Name of Yahuwah, in their DAILY WALK AS ISRAEL AMONG ISRAEL. A true Israelite is fully committed to that walk, regardless of the price and regardless of the persecution and regardless of the character defamations received in order to walk in the truth of Yahuwah's restored Name FOREVER AND FOREVER. In the days that Israel returns to the ways of Yahuwah through Messiah Yahshua, (Micah 4:6) they will be healed and made every whit whole BECAUSE OF THEIR ACCEPTANCE AND WALK as Israel embracing Torah and the restored Names.

In light of this truth being demonstrated as a key to Israelite restoration, those calling for a prolonged season of "loving weaning" for both houses off of error by allowing them a few more years to use Jesus and God, can best be classified as the thoughts of the deceived shepherds, who lull Israel into double mindedness through their arrogant defiance of Yahuwah's command to SPEEDILY AND ETERNALLY PURSUE THE RESTORED Name. Is it not further irony that those who oppose the full reinstatement of the true Name accuse true Name advocates of making "the Name issue" a salvation issue? Yet they are the very ones who make a federal case and a salvation issue over the false Name of JESUS. They constantly remind anyone willing to listen that there is no other name [BUT JESUS] under heaven by which

a person can be saved. They are found contradicting themselves in such open and shameful fashion. While claiming the true Name is not and should not be an important or salvation issue, they have nevertheless propagated the FALSE NAME AND MADE THEIR FALSE NAMES AND TITLES NOT JUST A SALVATION ISSUE BUT THE ISSUE ABOVE ALL OTHER ISSUES!!!

Oh the slippery web of hypocritical entanglement that inevitably entraps those who teach this error by their own doctrines!!!!!!! What they are really stating is "it doesn't matter what Yahuwah calls us to do. We need to patiently love these Protestants, (who stopped protesting anything papal about 500 years ago and have been quasi papists ever since) and Papal Catholics by going slow and by giving them a little more time...Say another 2,700 years or so...Ah!.. By then they should come around...or by then we will have a better shot at teaching them some Torah truth." In them and in such fallacious reasoning is found the fulfillment of the scripture in Romans 1:22: "professing themselves to be wise [short term] they have become [long term] fools."

SHEPHERDING MUST BE DONE IN YAHUWAH'S NAME

A true shepherd of those returning from the physical and spiritual night of exile must do like Yahshua Himself does in shepherding the flock of scattered Israel. He came to regather and shepherd the flock in strength and excellency by USING THE NAME OF YAHUWAH HIS FATHER. All His teachings, all His parables, all His miracles, were designed to shepherd His Israelite disciples in the true eternal Name. Micah 5:4 states that Messiah the Good Shepherd who gives His life for the sheep, was and remains strong and successful because He chooses to shepherd His flock not in His own earthly Name but in the Name of Yahuwah! This

Micah 5:4 truth is further hammered home by Messiah Yahshua Himself in Yochanan/John 17:6 and John 17:11. In these revealing verses, HaAdon Yahshua teaches that His Name is Yahuwah and that He received it from the Father and guards and shepherds His 12 talmidim in that Name. The mark or seal of that Name (Yahuwah) is destined to make Israel one again! "You have given me that Name "SO THAT THEY MAY BE ONE." Contrary to recent renewed railings against the True Name Doctrine as being "a divisive side issue", the truth as revealed to us by Messiah Himself is that the true Name IS THE ONLY REAL WAY OF DRAWING, MARKING AND BRINGING UNITY to a scattered and fragmented people, all calling upon different titles and different mighty ones, learned while in the nations.

Whose report will you believe? That of glossy and fancy magazine covers that encourage baby believers to suck on the false names/titles of JESUS and GOD, or the truth of Messiah, who promises that those who use the true Names the way they were given, will find themselves in blessed unity with others in the body of Messiah. According to these victorious verses in Yochanan, true shepherding that comes from the Renewed Covenant, must be done in the Name of Yahuwah, which is the Name of both Father and Son (Matt.28:19). Any shepherding done in any other Name is not strong and excellent shepherding but rather is weak and doomed shepherding! These are the simple facts of scripture.

WHY HEBREW?

Zephaniah 3:9 reveals the real reason why Yahuwah is determined and will in fact restore Hebrew to both houses of Israel as the *lashon kadosh* in the last days. It is not so that everybody can speak "Jewish", whatever that means. Rather

it is so that both houses can at long last cry out to Yahuwah in Hebrew, in and by the proper Name by which He Himself has chosen for Himself. Zephaniah 3:9 states "for then I shall turn [or give back] unto the nations [latter day Israel] a clean language, so that THEY MAY CALL ON THE NAME OF YAHUWAH, TO SERVE HIM WITH ONE SHOULDER", or in order that both houses serve Him as ONE [one shoulder]! BARUCH HASHEM YAHUWAH! If we do not shepherd in the strength of the Name of Yahuwah and we allow Judah to continue in the HaShem/Elokim error and Ephraim to continue in the God/Jesus error, the two will never find unity and will never serve Yahuwah as "one shoulder" and in one accord. That is what latter day Hebrew is all about! Strong shepherding to bring both returning remnant houses to the same place where both pray, sing, preach, teach, write and dance as "one shoulder", in one unifying devil chasing Name. In that glorious time when both houses return to Yahuwah's true identifying Name, we will no longer be at odds one with another but will according to Zechariah 3:10 "invite one another under the vine [Yahshua] and under the fig tree [Israel]." Only under thee fig tree [Israel] will Yahuwah's Name be proclaimed forever (Psalm 135:13). In Zechariah 9:13-14 Yahuwah declares that He will reunite the two-houses to destroy the Hellenized systems of this world. When He does reunite the two-houses by putting the arrows of Ephraim into the bow of Judah, (Zechariah 9:13-14) it is within that process that YAHUWAH SHALL APPEAR FOR THEM, with the shofar, at the pre-millennial resurrection of the righteous dead. Also the sudden revelation of Yahuwah and His Name will reappear in those same pre-millennial days. Zechariah 14:9 is Yahuwah's personal assurance that despite all the weak shepherds pressured by perceived public opinion, who delay in restoring Yahuwah's Name to His people Israel, or who are very inconsistent about it, a day is soon coming when Yahuwah will be King over all the earth

and in that day, there shall be one Yahuwah [NOT THREE PERSONS] AND HIS NAME SHALL BE ONE! Ultimately both houses will proclaim that one Name. Either we will be part of that process and the resulting solution or we will be left out of that process, choosing rather to focus in on a perverse two-house restoration message, sans the true Names, which is akin to a spiritual meltdown, by leaving Israel to continue their Name pollution among the nations and denominations.

A SPECIAL "EXCLUSIVE" BONUS BOOK FOR REMNANT ISRAELITES

According to Malachi 3:16 there is a special book in addition and in conjunction with the Lamb's Book of Eternal Life. This book is called the Book of Remembrance, reserved for those who constantly and CONSISTENTLY meditate, use, sing, pray, dance, teach, worship and converse in the Name of Yahuwah by thinking and reverencing its special place among the children of Israel. That Name in our midst, is what separates us from all other nations who choose to mask, ignore, substitute, replace or delay using that set apart Name. That Name also separates those who are Israel from those who claim to be Israel but are not or from those who may one day join Israel after a period of weaning themselves off of the Jesus/HaShem connection. According to Malachi 3:16, those who love His true original Name are said to speak to one another in sweet fellowship and in a special bond of spiritual bliss. Perhaps those who desire to teach Israelites the true Name at a later point of their own convenience and choosing, miss this special bond and have acted out in vengeance by accusing Name using Israelites of intentionally excluding other believers. Nonetheless true Name believers do have an EXCLUSIVE BOOK IN ADDITION TO THE GENERAL LAMB'S BOOK LISTING, THAT ENROLLS THEM as pure and pleasing worshippers to the Lamb. The prophet

Malachi further reminds all believers that healing is reserved for those who reverence HIS NAME. Those who reverence and meditate on the true Name, are prime candidates for the miracle-healing ministry of the Son of Righteousness, the Messiah Yahshua! Why would any Israelite not want to identify with their heritage by fearing the sacred Name, since along with that reverence for the true Name, comes the promise of abundant and permanent healing benefits (Malachi 4:2)?

MORE GLUE

Yeshayahu (Isaiah 12:2-3) talks of the day of personal salvation. In conjunction with that promise of eternal life, we find the glue that holds two-house restoration together in Isaiah 12:4. The day of Israel's national salvation, is the same day or time that saved folks will praise and call on His true Name and remind the heirs of salvation through song, that His Name is exalted. Isaiah 43:11 declares that only Yahuwah is the Savior and that those who claim to be saved had better understand that it is not another Savior Named Jesus that has done the work, rather Yahshua or Yahuwah Himself fully manifested in Messiah (2nd Corinthians 5:19). Isaiah 45:25 makes it plain that the true seed or offspring of Israel will have a salvation experience, that then leads to an unashamed return to calling on the true Name of Yahuwah, as it is written: "IN YAHUWAH, all the seed of Israel shall be declared right and boast." Rather than encourage returning Israelites, there remain those committed to weaning church folks away from false names and into the true Names. TRUE ISRAELITES ARE TO BOAST that Yahuwah has restored His glorious saving Name in Israel. Those with no Israelite blood who desire to join Renewed Covenant Israel through Messiah's blood, who still use the names of Jesus and God, will not be part of the united one Israel knowing Yahuwah,

that He has promised to produce.

According to Isaiah 56:6 strangers joining Israel like Ruth herself, must join Israel to LOVE THE NAME OF YAHUWAH and only then keep Shabbat and Torah. All the Torah keeping in the world STILL DISHONORS YAHUWAH...if it is not done under the shadow of the true Name to which a true non-Israelite must press in to receive. Without the true Name, any attempt at sojourning is not valid. Now just think of where that leaves all the traditional rabbinic manmade conversions by rabbinically approved *Bet Dins*, that teach *kashrut* and Shabbat keeping but willfully neglect to teach new converts the tetragramaton and the proper pronunciation of the tetragramaton! That would annul all traditional rabbinic or Messianic conversions to Judaism as invalid. Isaiah 56:6 makes it plain that any Israelite must join Yahuwah by LOVING THE NAME and being inscribed in the Book of Remembrance (Malachi 3:16) in order to be IDENTIFIED IMMEDIATELY AS RETURNING AND FAITHFUL REMNANT ISRAEL. Look at Isaiah 56:7:"THEM...will I bring to my set apart mountain [Moriah] and THEM will I let rejoice in my house of prayer." The rejoicing in the house of answered prayer is said to belong ONLY TO THOSE HE LETS IN. They first must LEARN TO LOVE HIS NAME, before being let in to the house of answered prayer.

This call to an aggressive pursuit and embracing of the true Name, flies in direct opposition to those who tell returning Israel that there is no rush or need to immediately adopt the true Name and who thereby encourage them to enter the HOUSE OF PRAYER, BEFORE LOVING HIS TRUE NAME!! That is why these misguided folks are weak Israelite shepherds, (guided by public pressure and opinion) and cannot stand strong when feeding Israel's returning flock as Yahshua Himself stands strong in feeding the Father's flock

by nourishing them in and upon the Name of Yahuwah. Isaiah 56:8 illuminates this truth by reminding all proponents of weaning Ephraim and Judah off of a diet of false names and titles, that it is Yahuwah's Name and its adaptation, that will be used in identifying and returning the outcasts of Israel and the dispersed of Judah. A simultaneous move towards the LOVING OF HIS NAME characterizes the latter day return of both houses. That is what it means to be strengthened as an Israelite and feed in His Name. If one reveals the Father's true Name at some later point of ones own arbitrary choosing, how can returning Israel be fed in His Name, if His Name is initially and intentionally withheld from them. Isaiah 59:19 reminds all skeptics that when the Messiah-Redeemer arrives in Zion/Israel, He will turn away Jacob (12 tribes) from sins and transgressions. In this return, the exiles from both the east and the west SHALL REVERENCE/FEAR THE NAME OF YAHUWAH IN THE DAY OF THEIR RETURN as the Ruach HaKodesh drives this reawakening to the truth of His eternal Name. Isaiah 60:9 states that Israel's exiles return from the coastlands of the earth to salvation AND to the Name of Yahuwah.

FURTHER DEFINING THE PEOPLE OF ISRAEL

We see in Isaiah 52:5-6 both the primary cause for Israel's global dispersion, as well as the key to their return through Messiah Yahshua. In Isaiah 52:5 Yahuwah reminds us that His people Israel were taken away from Israel because "my Name is [was] despised, all day continually." But as a panacea for that waywardness, Yahuwah boldly prophesies in Isaiah 52:6, that the true "Israel of Yahuwah", will "KNOW MY NAME IN THAT DAY...." What day? The promised time of their ingathering and national restoration and redemption. These are those days and Yahuwah is separating those who have the seal of the Father as returning Israel, from those

who wannabee Israel at some yet future point, when they are ready to love the true Name of Yahuwah after a period of self-imposed weaning. Yahuwah's true eternal Name is the seal of Yahshua's ownership over the real ISRAEL. Israel loves Torah and Shabbat as well as the courts of His House. Before entering those courts however one **MUST LOVE THE NAME OF YAHUWAH ABOVE EVERY OTHER FALSE, OR SUBSTITUTED INHERITED RELIGIOUS NAME OR TITLE!** Since He declares that **HIS PEOPLE WILL** know His Name and will walk in His Name, then those who do not **KNOW HIS NAME, nor walk** in His Name, **MUST NOT BE HIS PEOPLE ISRAEL!** They may be saved Methodists and Baptists wandering as **INDIVIDUALITES** but cannot be recognized as a saved **ISRAELITE!** While this is sobering and challenging, it is nonetheless true. So while some true Name opponents tell us that one can be born again and part of His people Israel even while using and invoking Jesus/HaShem and God, Yahuwah makes it very clear that the true Israelite already **KNOWS HIS NAME** and is not ashamed to declare that Name to his other returning brethren in the midst of the congregation, (ekklesia) even at the expense of being labeled a fanatic or fringe (wearing) Yahwist.

Zechariah 13:2 promises that along with a reintroduction through revelation of His true Name in that day, an idiom for the millennial *atid lavoh*, He will "cut off the names of the idols from the earth and they will be remembered no more." Hosea 2:17 reaffirms that during the period of true sacred Name restoration, men will see a rapid removal of all the false names of the *baals* or pseudo lords into the trash bin. At the dawn of the millennial kingdom, Yahuwah will simultaneously reveal His true Name, while eliminating from usage **ALL** pagan and idolatrous names that have been used in various expressions of monotheism and Christian tritheism. This twofold operation is marvelous to behold as it is literally

being fulfilled in our day. Ezekiel 39:7 confirms that in the Commonwealth of Israel, Yahuwah will restore His Name BEFORE and DURING the *atid lavoh*. He is performing this twofold operation so that "they may seek your Name O Yahuwah (Psalms 83:16B) *and that* men may know that you, whose Name is Yahuwah; you alone are the most high [El Elyon] over all the earth (Psalms 83:18).

BATTLING WITH YAHUWAH?

While prideful men continue to insist that true Name usage and revelation is not a main issue in scripture, they continue to promote false names, reminding everyone how important and precious that their false names were when they first got saved. Many go on to elaborate how precious those names still are to them, since it was through Jesus Christ/God and HaShem that they came to know Yahshua. Let those who boast in such nonsensical reasoning remember, that it was the sheer mercy of Yahuwah that ALLOWED many of us to be redeemed without the true Name for a season of salvation, as He lovingly winked at our ignorance. However as Rav Shaul said on Mars Hill; the time has come when He no longer will wink at our IGNORANT false names and the names of baals but "commands all men everywhere to repent" Acts 17:30. In Hosea 2:17 and Zechariah 13:9, Yahuwah promises to remove those familiar names we all once used and held so dear when we first believed. Yet these folks insist and have determined that they will PERMANENTLY hold these false names as eternally dear and precious to them, since they were first used when they first believed in ignorance of the true Names. These are they who have chosen to place sentimentality above truth! A most dangerous practice indeed! This boasting is not good and is a haughty prideful spirit, which Yahuwah will judge by the Man/Yahshua, that He has appointed to judge all such

"name related" matters (Acts 17:31).

And thus the struggle has begun in earnest. Let us all sit back and see who will win this battle. Yahuwah is destined to remove all these false names, which steal His glory from the true Israel of Yahuwah. He is determined and thus destined to make the two-houses into one "strong shoulder". Yet we find certain teachers that remain determined to hold on to these false names as precious and dear relics, of a time of scriptural ignorance and infancy of days gone by. They are like the little children who will not let go of a pacifier, even when the pacifier is no longer profitable and then save the pacifier as a treasured and fond childhood relic in their bank vault, once they have become an adult. The outcome of this struggle is certain. Yahuwah will have His way! He will have a people who are true Name users in the two-house restoration of Israel or He will raise up others to move the chips forward, as they shepherd in the strength and excellency of our example, the Messiah Yahshua.

So in light of their impending corrective judgment, (I Kepha/Peter 4:17) why do they condemn those who insist on the usage of Yahuwah, when these same critics insist and IMPOSE the continued usage of many false names in frightening, fanatical, cultic and divisive fashion. One true Name opponent speaking for a major messianic organization recently claimed that those who accept Yahshua but deny the ANGLO name of Jesus or the Greek title of Christ, will be denied before the Father by Yahshua Himself and will burn in hell, even though they love Yahshua. This is typical of the hypocritical actions of those who are anti true Name and who have the *chutzpah* to accuse true Name users of being "mean spirited". The fanaticism in this battle between stubborn (anti true Name) men against Yahuwah of Hosts has seen the increased opposition to the true Names

hardening their hearts even further. Maybe even beyond the point of no return, as they have put this end time restoration message in a bottle!

It seems sometime that this inexplicable undying loyalty to the translated second-generation false anglicized name of Jesus and common name/title of God/HaShem is more important than the truth and the desire to pursue the correct Name, which Yahuwah Named Himself and which will stand forever (Exodus 3:14-15). How tragic!

THE NAME IN THE BOOK OF REVELATION

Rev. 2:3, 3:8, and 3:12 commends all those who struggle as overcomers (Israelites) to restore the true Names in true worship and homage. The Name of Yahuwah is seen as citizenship papers that identify not just saved returning Israel in this monumental hour but Israelite citizenship in the renewed heavenly Jerusalem, that will soon come down from Yahuwah. Saved blood washed Israelites, have a permanent home in the Renewed Jerusalem, if they love and meditate upon the true Name. The 144,000 carry the true Name of Yahuwah in Rev 14:1, as do all the true current Israelites, who form the pool from which the 144,000 Israelites, (not all being Jews) will be selected. The usage of the true Names sets Israelites apart as Israelites, who remain ceremonially undefiled according to the standards of Torah. The false church system, along with traditional rabbinic Judaism, proliferate the blasphemies of false names and are said to be in league with the great whore of Rome in Rev.17:3. In Rev.17:3 the woman, (false man based system of worship) sits upon the beast, (anti-Messiah) and is characterized by HIS MANY [VARIETY] BLASPHEMOUS FALSE NAMES FOR YAHUWAH, ALL OF WHICH ARE CONSIDERED BY YAHUWAH TO BE NAMES OF BLASPHEMY. This includes

all names inherited through the lies of our religious well-meaning, yet wayward fathers.

It is upon these blasphemous false name foundations that many religions and organizations are built. Those who speak of a slow transition into sacred Name usage are meanwhile found riding the beast having many false and blasphemous false names for Yahuwah, as they encourage the returning sheep of Israel to choose a name that they are most comfortable or most familiar with. Those who commit such monumental colossal error, are encouraging returning Israelites to align themselves with the practices of anti Messiah against those in Israel who DEMAND THAT NEW BELIEVERS STOP RIDING THIS RELIGIOUS BEAST AND SETTLE ON THE ONLY NAME ABOVE EVERY NAME; THAT OF YAHUWAH/YAHSHUA (Phil. 2:11, Isaiah 45:23-24).

WHAT WE MUST DO!

As leaders and forerunners in Israel's two-house restoration, we must ask ourselves one thing. After sharing two-house truth, are we encouraging returning Israelites to keep Shabbat and sing messianic music, all the while never encouraging or teaching them how to jump off the beast with many false names for Yahuwah, all of which are declared as blasphemous? Or are we IMMEDIATELY demanding right off the bat, that BEFORE they ENTER SHABBAT KEEPING AND OTHER IMPORTANT YET SECONDARY ELEMENTS OF MESSIANISM, that they get off the spiritual beast system that carries many blasphemous names for Yahuwah? Are we demanding that they then immediately set out on a straight and narrow biblical course?

Matt 7: 21-22 makes it clear that many who call the Messiah LORD but not Yahuwah/Yahshua, will hear these words "I NEVER KNEW YOU", since the Renewed Covenant is

designed to reintroduce Israel to Yahuwah through Yahshua, in order that they may forsake Hey Seus/God/HaShem and return to original Yahwist worship. In these verses we see that the error of these disciples was that they claimed to be ministering in the set apart Name, yet they did not identify who the Lord was to those who were receiving ministry! Matt. 7:23 finds Yahshua reminding them that He does not know them [chooses not to know their name] just as they [chose] not to know Him, [His name] though MANY did call on a Lord without identifying the name of that Lord. These verses should be a sobering reality check!

Where do you and your ministry stand? Are you planning to cut another CD for Israel using anything and everything but the true Name? Have you made any adjustments to your methods before the next conference? Are you still planning on shameful public prayer in Hey Seus's name, while claiming to be a returning Israelite? Are you planning a bible study or newsletter soon using a poisonous, confusing FORBIDDEN mixture (*shatnetz*) of true and false names using Hey Sues on p.10 and Yahuwah on p. 2? Are you still teachable? Are you still willing to go back into the studio and do some remakes? Are you willing to be part of the next move of the Ruach HaKodesh despite your own personal fears and misgivings due to misunderstandings in your childhood?

Where do you really stand in this struggle? DECLARE YOURSELF! Do you stand with lying scribes and translators and those who ride the beast and use all kinds of substitute titles and names for Yahuwah Almighty and offer up strange fire at the altars of familiarity and convenience? Do you stand with those who accuse sacred Name Israelites of using CRAZY GLUE in our doctrine? Or do you stand with those Israelites who are marked as LEGITIMATE HEIRS IN ISRAEL

by their love, meditation (preoccupation) and usage of the true Name, and who also teach all believers including new believers, the true Name? For as the Master Yahuwah has designed the return of the outcasts of Israel it is those who have FULLY left the pollution of the true Name by returning to the true Name without hesitation or stumbling, that now show themselves to be legitimate Israelites. They are those who have not defiled themselves with false religious women, like the one who so arrogantly and openly rides the blasphemous multiple false name spouting Roman Beast. The anti-Messiah will be characterized as the son of perdition by his utilization of all the false names for Yahuwah Elohim ever known to mankind.

THOSE WHO WILL GET TO SEE THE LAMB'S FACE

Finally do those who teach the necessity of the true Names really use crazy glue as falsely accused? Or are those who reject any kind of extended overtime-weaning period for retuning Israel really the ones in tune with His revealed word? Rev 22:4 silences all critical doubt! **"And they shall see His face and His Name shall be upon their foreheads."** In order to see the Lamb's face in the Renewed Jerusalem, a saved person will have to have Yahuwah's Name placed upon their forehead, as did the High Priest of Israel, in order to get the privilege of seeing the Lamb's face. If you plan on seeing the Lamb's face, you had better have Yahuwah's Name on your forehead and you had better hope and pray that someone gets to you with the truth of His Name, who has not bought into the lies of a short weaning period or an unnatural affection for a false name, however precious, that Yahuwah by His mercy once winked at. In that day, when you get the privilege of seeing the Lamb's face because you did not shy away from truth but rather pursued it until it became your own possession, you will be glad for

those true messengers of Yahuwah, who did not hold back but pursued you in order to declare to you the full counsel of Yahuwah. And because they were faithful to their task, even in the face of numerous lying translators, you will stand and feed in His strength and excellency (Micah 5:4) as you enjoy His presence as an Israelite bearing His precious Name. You will bear it then. Are you willing to begin bearing it right now?
