

General and High Callings by the RAMYK Moon 9 day 22 Shabbat

GENERAL CALLINGS- Maaseh Shlichim 1:22-26...all called to witness His resurrection....Verse 25 all called to join an apostle and serve in and to his team...called before Shavuot...empowerment...**he enables-empowers the called he does not call the empowered-enabled.**

Ivrim 3:1-All are called to partake of a heavenly calling, or eternal life in the heavens where Yahshua is! We don't sleep we are very much alive with Messiah. He is the Eloah of the living before the resurrection. Now the patriarchs are alive...right now! See Matthew 22:24-33.

1 Kefa 3:6-7-Called to live with our spouses in love respect and no fear...a man of YHWH will give his life for you, and guard you, if you give him the respect and companionship he needs.

Kepha bet 1:10-11- A calling gives us all assurance and remembrance of your purpose in this life.

Romiyah 1:1-6- All are called to a calling to bear his name and be affiliated with global apostolic work.

Romiyah 9:11-13-All believers are called to be and live like Yisrael of old reconstituted in YHWH's Son.

Romiyah 11:29-The gifts of man are conditional. The gifts and power and functions of the Ruach are given for you all the days of your life and cannot be rescinded as long as you walk in the general calling.

Corintyah Alef 1:23-30-A call by YHWH usually goes to the rejected of the world. A calling goes to those who are humble enough to make NO CHOICES of their own! This kind of calling is without repentance or a removal of YHWH's gifts. It's general in the sense that all are given gifts, even though the gifts may vary.

Corintyah Alef 12: 4-8-A general calling is given to profit all and sub callings are all divided as gifts. Gifts of the Spirit can vary but all emanate from one Ruach and a general calling.

Ephesiyah 1:18-19-A call to Perceive. Perceive riches of tifereth and glory of his power. A general call to see your CURRENT position in His forgiveness.

Ephesiyah 4:4-One general calling. 2 Thess. 1:11-12 with different manifestations.

2 Timothy 1:8-9-A general calling that calls to share the afflictions of the besorah. A prophetic ministry is empowered to share and overcome afflictions.

SPECIFIC CALLING-HIGH CALLING-Philipsiyah 3:14. Jeremiah 29:11. To understand verse 14 we have to understand the FUTURE. A general calling is for all in your current position and gifting. A specific calling is about YOU and YOUR CHOSEN FUTURE. If you're chosen so is your specific future. Now just submit to it. Don't fight it. Verse 16 in general issues we are mature...in regards to your future your still immature and not perfect in submission and understanding. One side says yea and the other side of the mouth says maybe. Verses 13-16 make it clear that a HIGH CALLING is the maturity to leave or move on from your past and not be defined by it, and an ability to see the present as mere preparation for the future and His mature and specific or HIGH calling for you. The ability to EMBRACE your future is the HIGH CALLING because it allows your future, not your present, or past, or others to define you. What makes it a HIGH CALLING? It's for you alone and no one else can reach it or attain it and only you are being uniquely equipped to grasp and seize it by pressing forward! It is ultimately the future resurrection and glorification of your body at His return, but specifically the events in your future before that resurrection of the righteous is that HIGH CALLING. That term is only used once in Scripture. Here in Philippians 3:14. What should be our reaction to a prosperous future all planned out by the Master designer? HIGH

PRAISE of course! High praise is not regular praise. It is a praise that is returned to YHWH when He by His mercy reveals your future to you personally.
