By Apostle Moshe Yoseph Koniuchowsky

**Kepha Bet-First Peter 3:**

**20 Who before that time were disobedient, when the patience of יְהוָה waited in the days of Noah, while the tayvah was being prepared, when few, that is, eight beings were saved through the mayim.**

**21 Whose true likeness and reality also saves us, even mikvah, not the putting away of the dirt of the flesh, but the answer of a tov conscience towards יְהוָה, by the resurrection of יְהוֹשֻׁעַ ha Moshiach:**

**YAHSHUA IS THE TRUE AND REAL NOAH'S ARK!**

Noah's Ark is Yahshua's provision of pardon, forgiveness and atonement.

Beresheeth-Gen 6:8 Noach found FAVOR **in the ark**. Death outside the ark.

Beresheeth-Genesis 6:14 *Make a tayvah of gopher wood; rooms you shall make in the tayvah, and shall cover it inside and outside with tar.*

“Eytze gopher kiynim” **meaning incorruptible wood used in ancient times for coffins**. The ark was a strong durable coffin initially! The life in Moshiach was a call to DIE to self and to live for HIM, as life in Him, would allow us to float above the world's waters of sin, evil and death. **Noach was told to cover this death with atonement and life. Meaning, if we hide in Yahshua and die with him in the coffin of this world we will also be covered by His kopher within and without and will eventually come to rest over this life by the new life of resurrection.**

Yahshua came in His own incorruptible flesh typified by gopher kiynim incorruptible wood.

*15 And this is the design that you shall make it: The length of the tayvah shall be three hundred cubits, the width of it fifty cubits, and the height of it thirty cubits.*

Big enough to hold all generations of believers

*16 A window shall you make to the tayvah, and in a cubit shall you finish it above; and the door of the tayvah shall you set in the side of it; with lower, second, and third stories shall you make it.*

The window is the look, or view that allows mankind to see that Yahshua will allow us to see the Father (John 14: 8-9). He that sees and trusts in the ark pitched within and without with atonement, will see the Father in Yahshua, the ark.

His is the window to the Father and the door to salvation. The door is on the side, because His side was where the FLOOD of water would come forth at his crucifixion! Three stories for the three primary manifestations of YHWH. Father, Son and Ruach.

*14 Make a tayvah of gopher wood; rooms you shall make in the tayvah, and shall cover it inside and outside with tar.*

Yahshua said in my Father's house are many rooms. The ark had many rooms. Furthermore, Noah was to cover the inside and outside with pitch or tar. The Hebrew word for tar is kopher/tar the same word used in Torah for ATONEMENT. The ark like Yahshua is covered within and without with atonement. Noah was told to COVER or chah-ph-artah, **to cover the rooms of the ark with atonement.**

*19 And of every living thing of all flesh, two of every sort shall you bring into the tayvah, to keep them alive with you; they shall be male and female.*

**Two of every kind. The ark was designed like Yahshua was, to keep humanity alive, both male and female. But humanity must enter the ark pitched with atonement both inside and outside.**

Verse 20 they come to Yahshua to be kept alive **Every sort shall come to you, to keep them alive.**

**Men must come to Him as beggars** needing salvation, protection and life.

Verse 21 *And take for you all food that is eaten, and you shall gather it to you; and it shall be for food for you, and for them.*

Living food, Bread of life is found in the ark Yahshua.

Verse 22 Those in the ark like Noah must keep His commandments.

7:17 the ark was tested for 40 days and 40 nights when it rained, as was Yahshua, tested as the ark of life in the wilderness. He sprung no leaks, just like the ark.

7:23 **And Noah only remained alive, and they that were with him in the tayvah.**

**A remnant shall be saved. Gilyahna-Revelation 14:12. Those who have the testimony of Yahshua and keep His commandments.**

8:4 And the tayvah rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat.

Rest in the ark, as the ark Yahshua rests in the Father and we rest in Him.

During The Feast of Tabernacles an appropriate time indeed for a sukkah/tabernacle in the form of an ark for the fathers of the future redeemed people of Yisrael.

If we use the current Jewish calendar which begins in October for Rosh Hashanah as month # 1, we go forward to the 7 month of Aviv/Nissan; we see that the ark found rest on day 17 of month 7. Based on the Jewish calendar, this is the exact day that Yahshua found rest from this world by His resurrection and rest in the Father's resurrection power.

It is that resurrection power and eternal safety in Yahshua that gives us the victory of Ararat, in the modern land of Turkey, where s.a.tan's seat remains. Being found in Yahweh's ark will ultimately give us victory over the end time beast, by avoiding his mark and his corruption.
