As I was seeking YHWH about how to admonish and love the flock that has been scattered by the doubt and unbelief sown by many of today's Messianic and Nazarene Yisraelite leaders on key issues like the virgin birth, the inspiration of the New Covenant, and deity of Yahshua.....

YHWH spoke to me with a personal word.

Rather than quote Him verbatim, which is not easy, it comes down to this brethren. **YHWH told me not to waste my time any more naming names and exposing false shepherds to the flock.** Sadly YHWH told me that the people are not going to listen. The same thing YHWH told Jeremiah about the double-minded leadership plaguing our forefathers. Those who enjoy studying anything, modern day Messianic Gnostics (pursuing more and more and more knowledge, even at the expense of plain truth), will study from anyone, and with anyone, even if those teachers plainly deny the essentials of the historic Nazarene faith.

In brief, YHWH told me not to publish any further exposés as the people who want to listen to these leaders will continue to do so despite my loving warnings, and those who do not listen to them, will still have opportunity to accuse me of being judgmental, harsh, mean spirited and a one-man judge and jury. So I guess what I'm saying is your on your own, when it comes to figuring out who is and isn't denying essential salvation issues, since many I tried to help wind up berating me and wind up trying to make me the issue, rather than the apostasy of so many so called leaders.

And of course it is not always easy to discern their real beliefs, as these leaders are being overcome by seducing spirits, which in turn flow through them to you, and you can become seduced thinking that they really don't deny salvation essentials, even though they admit to it, if your willing to see it.

Some have inquired what has become of the YATI Deniers list of Messianic leaders that deny the faith. I had it removed for the above reasons. **Regardless of the facts, even those by the false leaders own WRITTEN self-condemning declarations, those who desire to follow them cannot see what they are saying, as they choose not to.** And those who are new to the Messianic/Nazarene movement, don't know what poison is being dispensed, will inevitably come upon the scene and wonder why I am being so darn judgmental. That s why there is no longer a denier's directory posted. We apologize to those who really did see the need for one. As throughout our history, YHWH gave up on those who chose not to listen to His warnings and admonitions against false leaders. Like the House of Efrayim, YHWH gave them their paganism, since it was that which they so lusted after.

Now mind you lets be clear about this. No leaders are perfect including me. When we speak of solid leadership we speak not of those who do not sin, as we all do, but of those who once walked in the truth and now blatantly and often pompously proclaim and teach against the truth. That is the definition of a false leader, not one who is weak and sins as we all do. A good leader is NEVER a perfect one, but one who is stable and does not waver from plain and basic truths such as the virgin birth.

Warning

In synopsis here are the main dangers as I see them today followed by YHWH's Scriptures given to me to leave the matter in His hands.....

- More and more leaders that deny parts or all of Scripture-The latest hot denial goes like this. " I do believe the New Testament is inspired, but only when originally written, before the church corrupted it, but not what we have today." Here is a new way for these folks who have been seduced to protect their image and reputations, by stating outward faith in the inspiration of the New Testament, BUT secretly denying it by stating that what we have today is unreliable.

Be careful of such people and their declarations. They have succumbed to seduction! Another way they couch their unbelief is stating that if the New Testament states something found and verified in the Torah, Prophets, or Writings, then they can accept it. But if it's not found there, they reject those particular parts of the New Testament. Self appointed scribes.

The MAJOR problem with that seductive reasoning is that it removes from YHWH His eternal and tangible sovereignty, to reveal new and wonderful truths that may not be literally found in the Tanach. There are new and deep revelations in the New Covenant that are partially hidden, or veiled in the Tanach. But it sounds so good to state these views, as it cloaks their lack of faith in YHWH's ability to preserve all of His word. They blame the church for messing up the New Testament, but the problem is that it was the CHURCH of the East that preserved the original documents seen in the Aramaic Peshitta, and my own Jewish people were to busy burning New Testaments by their own admissions, rather than preserving them. To them were committed the oracles of YHWH, but they decided not to be good caretakers of the part of it they found offensive. So rather than blame them, these deniers and doubters blame the church. I have news for you. If not for the church, which admittedly has its own pagan baggage, we'd have no New Testament. Those are the clear historical facts, whether your skin is curling by now or not.

- Leaders who deny certain parts of the New Testament-all the while claiming to be New Testament believers. Of course, they do their own picking as to what parts are unreliable and what parts are reliable, and then credit YHWH for giving them this "secret understanding."
- Leaders who openly and without shame claim that the New Testament is not inspired.
- Leaders Who Are Good, Righteous and Saved, But In Error- Perhaps this is most puzzling and is the ongoing tendency for leaders who are good shepherds and hold to the full inspiration of all of Scripture, and yet who allow non-believers, or those who doubt the virgin birth, deity, resurrection, or some other key point, to share a ministry platform or pulpit. Of course they defend their actions by stating that we 'all have things to learn from each other'; but the fact remains, that Scripture cautions us not to be in any unequally yoked situation with unbelievers, and if that's true, how much more so does Scripture forbid lending our TV program, speaking tour, internet site, chat room, or radio show to those who do not believe in full inspiration, or those who question key issues of inspiration and sow doubt rather than faith.

These good leaders, though saved and often fruitful, think that there's nothing wrong with co-laboring in public ministry with those who question inspiration of all, or parts of the New Testament. Often these same leaders allow non-believers to actually midrash and dissect Yahshua's teachings, by allowing them to explain Yahshua to a believing audience, when by their own admission they confess that they do not trust in Yahshua, let alone know and love Yahshua.

If they don't know and love Yahshua, even if they do know Hebrew and Aramaic, or Greek for that matter, why is anyone allowing them to explain Yahshua's teachings to Yahshua's people in any public forum? Am I the only one who sees this as sickening and wrong before Abba YHWH? Here are YHWH's own eternal words on today's Messianic and Nazarene leaders, who in a desire to be teachers of Torah, have forgotten the Light of the world, or have denied Him in one form or another.

John 1:1 Beresheeth was the Torah, and the Torah was with YHWH, and the Torah was YHWH.

So if one denies Galatians, Hebrews, Colossians, or any piece of Scripture, he denies the written Word, and since Yahshua is the personification of the written Word, they ipso facto deny Yahshua. Now let's see what YHWH says about this kind of poor and apostate leadership.

Jeremiah/Yirmeyahu 2:8 *The kohanim said not, Where is YHWH? And they that handle the Torah did not know Me:*

Jeremiah/Yirmeyahu 2:17 *Have you not done this to yourself, in that you have forsaken YHWH your Elohim, when He led you in the right derech?*

Jeremiah/Yirmeyahu 2:37 *Yes, you shall go forth from there, with your hands upon your head: for YHWH has rejected those you trust, and you shall not prosper by them.*

Jeremiah/Yirmeyahu 10:21 *For the shepherds have misbehaved, and have not sought YHWH: therefore they shall not prosper nor understand, and all their flocks shall be scattered.*

Jeremiah/Yirmeyahu 12:10 *Many shepherds have destroyed My vineyard, they have trodden My portion under foot, and they have made My pleasant....*

Jeremiah/Yirmeyahu 22:22 *The wind of mishpat shall eat up all your shepherds, and your lovers shall go into exile: surely then shall you be ashamed and*

Jeremiah/Yirmeyahu 23:1 *Woe be to the shepherds that destroy and scatter the sheep of My pasture! Says YHWH*

Jeremiah/Yirmeyahu 23:2 *Therefore this says YHWH Elohim of Yisrael against the shepherds that feed My people; You have scattered My flock, and driven them away, and have not visited them: see, I will visit upon you the evil of your doings, says YHWH.*

Jeremiah/Yirmeyahu 23:6 *My people have been lost sheep: their shepherds have caused them to go astray, they have turned them away on the mountains: they have gone from mountain to hill, they have forgotten their resting place.*

Jeremiah/Yirmeyahu 23:7 *All that found them have devoured them: and their adversaries said, We offend not, because they have sinned against YHWH, the One who inhabits mishpat, even YHWH,*

Jeremiah/Yirmeyahu 34:2 *Ben-adam, prophesy against the shepherds of Yisrael, prophesy, and say to them, This says the Master YHWH to the shepherds; Woe to the shepherds of Yisrael that do feed themselves! **Should not the shepherds feed the flocks?***

Jeremiah/Yirmeyahu 23:10 *This says the Master YHWH; **See, I am against the shepherds; and I will require My flock at their hand, and cause them to cease from feeding the flock; neither shall the shepherds feed themselves any more; for I will deliver My flock from their mouth, that they may not be food for them.***

Jeremiah/Yirmeyahu 34:11 ***For this says the Master YHWH; See, I, even I, will both search My sheep, and seek them out.***

YHWH is dismantling His house for THE unpardonable sin of the denial of Scripture, or key parts thereof, and the virgin born deity of His Son! **And the thing we need to be extra keen about is that it is NOT s.a.tan, but it is YHWH tearing down and cleansing His own house, preparing His return, by exposing this massive unrighteousness in leadership!**

Kefa Alef/First Peter 4:16 **Yet if any man suffer as a Notzri in Yisrael, let him not be ashamed; but let him esteem YHWH in this matter.**

17 **For the time has come that Yom HaDin must begin in Beit YHWH:** and if it first begins with us, what shall be the end of them that obey not the besorah of YHWH?
