

OPENING THOUGHT:

I will endeavor to embark on a very, very strange subject to most in the body of MeshiYaH (Messiah). This is the topic of Nephilim! Even at the risk of losing friends, family and associates. Why? Because I honestly feel that not attempting to answer them is cowardly and I believe it poses and even bigger threat if we don't discuss it. We as his children must answer the world's questions regarding these difficult matters. We will continue to lose hundreds of thousands because we dare not study, test and even shake the foundations of what we have believed to be true.

As you have read in my other messages and seen in some of the pictures I've sent, that I have attempted to challenge you to open your scriptures and your lev (heart) to see if your traditions would hold water when tested against YHWH's (YaHuWaH's) word. Now again I say I dare you to be challenged as I am confident that no matter the argument against the word of YHWH (YaHuWaH) is, we can answer the most difficult of questions if we are willing to study and listen. I'm going to attempt to help you get rid of traditions as we will get into the scriptures and pick apart what we've been taught. We must be willing to get rid of these traditions deeply embedded in our faith that doesn't allow us to see the truth before us. Let's allow scripture always to have the final word on these matters and truly hear the warnings that YHWH's (YaHuWaH's) word of warning has been sounding! Before we continue I want to first add a quote that I think must always be considered as you venture in any new course of study . . .

"There is a principle which is a BAR against all information which is proof against all argument, and which cannot fail to keep man in everlasting ignorance. That principle is condemnation before investigation". –Edmund Spencer

STYLE:

To make this study easy I will keep it short, and to the point to keep you engaged and to try and make things easy to understand. We will hopefully learn together to always be ready to give an explanation when our faith is tested. I pray you enjoy and learn as we embark on this study together. Now on to our Study . . .

THE RETURN OF THE NEPHILIM!

Before we open this can of worms I want to make sure that we truly understand just who the Nephilim are and their origin. I will also try cover as we move along other views and misconceptions on the matter.

Please understand that this is a latter day matter that we the House of YaHshra'el must deal with as stated by The Master Himself. In three different places in scripture we see 4 of MeshiYaH's disciples inquire of his return and MeshiYaH begins his answer by this peculiar statement, "TAKE HEED THAT NO MAN DECEIVE YOU" Mattityahu (Mathew) 24:4 *Please understand that this is a deep spiritual matter and there will be a great attempt by the enemy and his cohorts to deceive the reality of this spiritual matter! As the Master was warning his disciple He then gives us a clue and a starting point to uncover the

mystery of this last day.

"But as the days of Noah were so shall the coming of the Ben Ahdahm be". Mattityahu (Mathew) 24:37

The Master is directly referring to the accounts of Beresheeth (Genesis) Chap 6:

1. And it came to pass, when men began to multiply on the face of the earth, and daughters were born to them,
2. That the sons of Elohim saw the daughters of men that they were beautiful; and they took for themselves wives of all which they chose.
3. And YHWH (YaHuWaH) said, My Ruach shall not always strive with man, for that he also is flesh: yet his days shall be one hundred and twenty years.
4. There were Nephilim in the earth in those days; and also *after*, that, when the sons of Elohim came into the daughters of men, and they bore children to them, the same became mighty men who were of old, men of *FAME*.

First fact we must consider is that the word *Nephilim* is only used 2x in scripture. So that tells us we must consider the importance of this word as Moshe (Moses) did not throw this word around loosely and it also must have been a word not to be mixed in with the ordinary. The Hebrew word *Nephilim* comes from the root word *Nephal*. It literally means to fall, to be cast down, to fall away, to desert or deserter. Some theologians say it just means tyrant, but will show you through scripture why this simply cannot be the case. The Arabic translation of this word is: those who came from Orion's belt. As we see in the Arabic language it surely means much more than just a simple tyrant or thug.

I should note that verse 1 and verse 2 should be one sentence. When we read this as one sentence we start to see a bigger picture than what we've might have been previously taught. Notice the verse here starts with, *when Men started to multiply...* we then can see the transition in the verse as it says *that the sons of Elohim . . .* This son of Elohim in *Hebrew* reads *The Bene Ha'Elohim*.

* I will now show you using scripture and also with the *Hebrew Language* that *Bene Ha'Elohim* refers to as a Direct Creation of YHWH (YaHuWaH).

Adahm (Adam) was a direct creation of YHWH (YaHuWaH). We are not direct creations of YHWH (YaHuWaH) we are referred to as the Ben Adahms (Adam), or Sons of Adahm (Adam). That is our problem as the whole book of Romans refers to. *NOW!* As stated in Yochanan (John) 1:12

"But as many has received Him, To them gave He POWER to become the sons of YHWH".

We very easily see this term has a technical meaning; To become a *Bene Ha'Elohim* we need the *Power of The Ruach Ha'kodesh Himself* (The Set-Apart Spirit). When we come into the salvation of YHWH (YaHuWaH), we are given the seal to become as *He* is in *His Malchut (kingdom)* when we are taken in the resurrection.

Let us also see how this term the sons of *Elohim* is used in the *Tanak (1st. Testement)* and *New Covenant (New Testament)*.

READ: Job 1:6, 2:1, 38:7 We see the *Malachim* (Angles) a.k.a Sons of Elohim a.k.a *Bene Ha'Elohim* Meeting with *YHWH (YaHuWaH)*. Also *Luka* (Luke) 20:6 we see children or *Bene Ha'Elohim*. Also The Book of *Enoch* used and quoted by the *Navi* (Prophets) and very popular up until around the 2nd century and also found with the dead sea scrolls we see the term *Bene Ha'Elohim* as *Fallen Malachim (Angels)*.

We also see this term/idea used in the Septuigent (LXX) The Greek version of the *Tanak*. **(We will see later how this is used)*

So in verse 2 when we see the *Bene Ha'Elohim* came into the *Daughters of Men* or (*Benoth Adahm*), it becomes very clear picture that there was a mixing of Daughters of men and these son's of *Elohim* a.k.a *Fallen Malachim* (*Angels*). A cross breeding of Men & *Malachim*!

*NOTE: This is where people say "The Bible says that Malachim (Angels) in the Shamayim don't marry nor are they given in marriage! To that I say Omaine v' Omaine. BUT let's break down what the Master said here exactly! Mattityahu (Mathew) 22:30

"For in the resurrection THEY neither marry or are given in marriage, but are like the heavenly malachim of YHWH in the shamayim (Heavens).

First let's notice that he's talking about Marriage and not *Breeding*! Secondly let's notice *He's* using the *Malachim* (*angels*) as a comparison of the They or people who won't Marry no more! Third let's notice that *He* is talking about the *Malachim* in the *shamayim* (*Heavens*) or *his Malachim* who stayed in *His Malchut* (*Kingdom*). Forthly *He* is not talking about the *Bene Ha'Elohim* a.k.a *Fallen Malachim* that left their *First Estate*! **"Please note this as we will come back to this very issue in later in our study"*.

So the *Nephilim* are the *Bi-Product* of this strange Union of the *Benoth Adahm* (*Daughters of Men*) & *Bene Ha'Elohim* (*Son's of Elohim*) or *direct Creation of YHWH* (*YaHuWaH*). Not as some have falsely taught that are the fallen ones themselves, but are *Named* after their fathers who are the true *Fallen Ones*!

Note: It's very important to understand this point, because later when we get into *Barmidbar* (*Numbers*) 13 we will not have a leg to stand on when it come to some of the counter arguments to this point.

Now that we understand who the *Nephilim* are and who they are not, we will get into the scriptures to not only dissect who they actually were on earth, but will they return? Are they still here? Will they try to mix with us again?

**Please study these words and the verses because in our second study we will go more in depth and don't want you to be left in ignorance of this very important study!*
