

Opening thought:

Excited yet?! I hope so, because once we understand this portion, it will paint a much clearer picture of the latter day prophecy's, and yet another great battle over Yahshra'el and the Set-Apart land of Yahrusalem. Once again **PLEASE study!** I want this study to be an eye opener so that in these last days we are not over taken because of our ignorance. Messiah told us as did the Apostles did to study, but **YHWH** speaks well of us when **HE** says "My people are destroyed for a lack of Knowledge". Let's Listen to **ABBA** as we will be held accountable.

Style:

In part three I will make this a easy read, I will do this part without the Hebrew names and translations, because I know that some of you are new to the Hebrew language. I do not want it confuse this very important part, and I pray it will help you in your understanding of this portion of our study.

### The Return of the Nephilim Part III

So, who were these Titans, Demi-gods & Mighty Men of Old?... It seems that in every language and in every culture we see stories of these gods. As far back as history records we hear of these Creatures and these Giants, but modern culture would like us to dismiss them as legend, while at the same time glorifying their stories as to not let us forget what they don't want us to believe in.... **HUH?!** Yes I said wrote that right. They don't want us to believe in the so called legends, but they work hard to keep them in our face! From Movies like Avatar (which by the way does mean fallen ones) to the Clash of the Titans and countless of fallen angel and UFO movies... Not to mention all the demon possessed movies you can handle. They keep us busy with these images and also make it clear in these movies that the Ben Adam are the ones to blame for all the universes mishaps because of

their lusts for power, wealth and technology. Hmm... sounds like a classic case of bait and switch to me! Also I think THE POWERS THAT BE are doing a great job of not accurately reporting there history in our history books, but they do excellent job with truth telling when they can invade your eye, ear and mind gates when they take your \$30 and have your undivided trans like attention at the theaters... (but I'll save that for another study)!

But let's talk about American History here for a second.

For example, one of the all time American Greats is a man by the name of Buffalo Bill, who's real name was William Cody. In a 1920 auto biography he wrote...

"While we were standing in the sand hills, scouting the Niobrara country, the Pawnee Indians brought into the camp some very large bones. One of which the surgeon of the expedition pronounces to be the thigh bone of a human being. The Indians said those bones were a race of people long ago had lived in the country. They said these people were three times the size of a man of the present day, that they were so swift and strong that they could run by the side of a buffalo and taking the animal in one arm could tear a leg and eat it as they ran". Colonel WmF Cody 1920.

Hard to believe you say?!... Just remember we are the Believers in Scripture... If we can't accept truths like this, how do we begin to minister to people regarding the truth of scripture? Now I'm saying to believe in these thing because the scriptures to are hard to believe, but what I am saying is to please look at all the parallels as we see this over and over in every culture in History.

That Particular story reminds me of 1st Samuel 5-6 and what we see it said of Goliath when speaking of this sequence in the Jewish Midrash, it claims he tossed the Ark of the covenant over his shoulder with one arm. ( **NOTE:**\*Read facts about the Ark of the Covenant and you will see it's weight was equal to a small car).

Now let's go back to *History* and let's see how it's seems as if some are distorting it for reasons deeper then we're led to believe. Since we already speaking of Indians... **FACT:** do you know that the real reason they lift there arms when they met new people?... let me recreate the scenario : Remember in the movies when the cowboy and the Indians would 1<sup>st</sup> meet and the Indian raised his arm and said How or Hi?... "**LIES**"!!! **First of all** the Indians were not the only ones doing this! **Seccon**, the reason why they did it was to see if the person had **Six** fingers! That's right... I said **SIX Fingers!** Sounds like scripture huh?... Didn't Goliath have six fingers and six toes. Well if you know History, all of Goliaths brothers who were

Giants as well had Six Fingers and Six toes... As a Matter of fact so did OG King of Bashan who's bed is reported to have 16 feet long by 8 ft wide. Also the RAPHAIM ( which by the way means the walking Dead, who happened to be Giants.) More on that later... But they had six fingers and six toes... the EMIM, HORIM, ZAMSUMMIM and the ANAKIM **All had six fingers and six toes!**

**(HINT):** For all you Scripture Scholars... Aren't these same GIANTS who Joshua failed to destroy when YHWH told him to kill every man, woman and child?! (We will return to that topic later)!

**Also:** Isn't it funny that funny that the Avatar Giants in the Movie recently released also had six fingers & six toes?.. Coincidence?... **NOT!!!... lol**

In our First two studies, we have learned by the witness of more than two or three places in scriptures that the fallen Angels tried to interrupt YHWH's plan for salvation by infiltrating His chosen seed. In Genesis 6:4 It says, they "The Nephilim" **were in the earth in those days and also after that. I say AGAIN... (And also after that.)** The Nephilim were not eradicated from earth because of the flood.

Scriptures hints to us that the wife of Ham was from this Nephilim line. We see evidence of this when we study his grandson **NIMROD. NIMROD** had these physical characteristics and was literally the 1<sup>st</sup> world Dictator and tried to build a Tower that would reach the heavens to that he could do battle with YHWH. **( I will show you later on it was far more than just a tower.)**

**NIMROD's** Central command of his Kingdom was located in Babylon or modern day Iraq. This is the same place being made famous today by a man name of Alaxander Stichen who is a scholar and professional historian of the Sumerian culture. He is **responsible** for the rise of interest in the Sumerian culture and Books on the **ANNUNAKI** and the return of planet **NIBIRU**.

Well in case you didn't know this Sumerian history dates back to **NIMRODS** time. Stichen one of the world's leading linguist in the ancient Sumerian writings tells us in the Sumerian texts that they were Giants in the earth who were known as the gods. They were called **ANNUNAKI**.

**ANNUNAKI** are of those who from Heaven to earth came. They were supper giants who taught men all sorts of technology. If we pay

close attention to their history we see no difference in what scripture shows us, but we have know what we're looking for!

**NIMROD** himself was doing and building, and teaching men all sort of technology. **NOTE:** Don't think for one second nimrod was a dumb old cave man like the world of science wants us to believe. **NIMROD had every intention of building a tower that would reach heaven! (but more on that later!)** We see everything that History claims is found in the pages of Scripture. Too often other documents take the credit of what Scripture already spoke of, as if the Scripture did not mention it. If we read the BOOK of Enoch, which I believe should rightly be in scripture. We see Enoch speaking of all this in great detail. Enoch not only describes who these **ANNUNAKI a.k.a Fallen Angels** were, but goes on to say why they did what they did. As a matter of fact I believe Enoch fills in the gaps of the Genesis account better than any other ancient text. It should also be noted Enoch lived very near to where the History of **ANNUNAKI** took place.

**Back to NIMROD!:** If we look at the History of where all Pagan Practices and the origin of most of these stories of the mighty gods come from, we will note that it mostly all stems from the history and life of **NIMROD & his Ancestors**. Stories of deities like the Egyptian god HORUS and RA, & the of the Babylonian gods such as Gilgamesh are all stories of **NIMROD** himself.. If the stories of the gods were not being

attributed to **NIMROD himself** they were stories of either his ancestors **OR** his off-spring . (**NOTE: origin of the trinity teaching and the mother of god teachings can be traced back to NIMROD as well, but we will come back to that LATER!**) Everything from The gods, the Titans, the Mighty ones of old, were attributed to **NIMROD**, his ancestors and his descendents. We also can attribute the Pagan Practices of the Spring & Winter Solstice and the Christmas tree and Ishtar aka Easter to **NIMROD** as well. Also almost every modern Middle Eastern and Asian Occult practice including the Roman/Greek Pagan Practices found in Christianity can be attributed to **NIMROD** as well. So the More we uncover **NIMROD**, we see more than just a wanna be World Dictator as stated in Genesis chapter 11, we see a World Dictator who is a type of Anti- MeshiYaH a.k.a Anti Christ for those of you not familiar with the term MeshiYaH. And isn't it funny that he just so happens to be of **NEPHILIM origin?**...Hmm... Is your brain going into overtime yet?...lol

Please understand that the same issues we had in the past are the very same issues we're still dealing with Today because of our disobedience to our **ABBA**. All of these religions, occult practices and so called legends (I say so called because these Titans did exists.) all stem from a group of beings who's origins were of the fallen Angel's. (*More on that later!*)

Let's revisit a couple comments I made earlier. 1<sup>st</sup> *\*For all you Scripture Scholars... Aren't these same GIANTS who Joshua failed to destroy when YHWH told him to kill every man, woman and child? (Remember that question?)*

Well when Caleb and Joshua; Caleb being (of the house of Juda) & Joshua (of the house of Ephraim)(*HINT: WE see the 2 House Promise Here!*) Put a team of spies together and came unto the borders of Canaan, who did they Find? (Number 33:13?) None other than The Sons of Anak and the **NEPHILIM Giants! Hmm... NOTE: these sons of Anak or also known as The ANNUNAKI being spoken of all over T.V and Internet.** Isn't it funny that every time the children of YHWH got close to their promise they were always met with supernatural forces? And there victories always had to be supernaturally intervened by YHWH HIMSELF? Hmm... Sound familiar?... Not getting it yet?... Well we'll come back to it later then!

So as the story goes YHWH gave Joshua the **SUPER NATURAL VICTORY** over the **NEPHILIM**. But Joshua did not fully deal with these **NEPHILIM** and the lands they possessed!...

*Now for you Scripture Scholars:...*

Think about the lands that the **NEPHILIM Giants** had a strong hold over in the book of Numbers for a sec. Then understand that, because Joshua did not exterminate them as YHWH instructed, aren't these the very same borders that are in dispute today? **THE GOLAN HEIGHTS, HEBRON, & THE GAZA STRIP?...**

**"COULD IT BE THAT THE NEPHILIM STILL HOLD A STRONG HOLD OVER THAT TERRITORY TODAY"?...**

**"COULD IT BE THAT THESE STRANGE SUPER NATURAL OCCURANCES GOING ON ALL OVER THE WORLD ARE JUST SETTING THE STAGE FOR ANOTHER CLASH BETWEEN THE CHILDREN OF YAHSHRA'EL AND THE NEPHILIM"?...**

**"COULD IT BE THAT THE PROPHECY OF THE TWO HOUSES OF YAHSHRA'EL COMING BACK TOGETHER, IS GOING TO SPARK THE LAST STAND & CLASH BETWEEN THE HOUSE OF YAHSHRA'EL AND THE NEPHILIM GIANTS WHO WERE NEVER DRIVEN OUT OF THE LAND BY JOSHUA AND HIS ARMY"?...**

**"WILL THIS BE THE BATTLE AT MIGEDO AKA ARMEGEDON"?...**

**Stay tuned for part four as we will tackle these issues and much more... Until next time Be Blessed in the name of YaHuSHua Ha' MeshiYah, Omaine!...**
