Rid & Rule

Passover is the ordained season to rid all ungodly. ~~scribble~~ 1 Cor. 5:6-8. Ungodly first! 1 Cor. 5:9-11. 1 Cor. 11:28

Genesis 4:7, is an often overlooked Messianic pronouncement. It prophesies about a future time and a future covenant people of God, who will rule over sin, not have sin rule them.

They shall or should rule over him.

1.) The unsaved world is in total bondage as slaves to sin. They must obey sins desires, when sin beckons. The unsaved have no choice, or power to resist. (John 8:31-36). verse 34-the slaves of sin, are not and cannot be sons of

2.) The children of Yah are those unlike Cain, who have allowed Yeshua to set them free from sin's ruling power. When the Son Of Yah rules as Lord in the life of a believer. they learn to rule and take authority over sin. Sin does not take rule and authority over a born again saint. We are called to continually rule over it. Romans 6:14, Romans 6:22 Rom 6:5-23

3.) Children of Yah (born again) do sin, but do not practice or plan sin. (First John 1:10). They fall into it through temptation, or bad decisions, but do not plan it, take pleasure in it, or continue in it. (First John 3:4-12) Born again saints never provide for their flesh. They are being trained to deny it and refuse to feed it. (Romans 13:14). (Matthew 4:4)

Conclude- If sin continually calls the shots in our lives, we may just be children of Cain. If on the other hand, we are learning to rule over sin, as the Lord instructs us and with His power, enabling us, then we can rest assured that we are His and will abide in the house of the Lord forever. Overcomers of sin through Yeshua's blood are, the children of Yah. Lets Rule! Lets Rule! (First John 3:8). All true believers are under construction as Yeshua destroys more and more, Satanic works in our lives. If there are no works of darkness, being destroyed in your life, Yeshua has not been manifested to you personally, though He has been to the world in general.

Overcome is used only for Israel & 17 times in Revelation.

Overcomers eat the Passover.
