

# End Time Isavel

By Apostle Rabbi Moshe Yoseph Koniuchowsky

In Scripture, based on our deep rooted teachings on Islam available online at: [http://yourarmstoisrael.org/Articles\\_new/notes/index.php?page=IslamArticles](http://yourarmstoisrael.org/Articles_new/notes/index.php?page=IslamArticles) it is now beyond any dispute among men of fair and open minds, that the beast of Gilyahna/Revelation is Islam (not Rome), or the revived Islamic Ottoman Empire and the woman of Gilyahna/Revelation is a CITY associated with the beast system.

That city being Saudi Arabia, the head of the beast gov't, the one riding it, or directing its teachings, doctrines and instructions. In ancient times, Mecca, Medina, Riyadh and all of Saudi Arabia, were known as LITERAL AND SPIRITUAL Babylon. Thus when Saudi Arabia falls when judged by Yahshua, the woman, or city known as Babylon will fall as well. And with her determined fall comes the fall of the Gog and Magog Confederacy, or the revived Islamic Ottoman Empire and the global Caliphate that Islam establishes in the last days. We see that the woman is Saudi Arabia, never Rome, as Rome was never part of ancient or modern Babylon.

Gilyahna/Revelation 17: 3 So he carried me away in the Ruach into the wilderness: <sup>1</sup> and I saw a woman sit upon a scarlet colored beast, full of names of blasphemy, <sup>2</sup> having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet color and decked with gold and precious stones and pearls, having a golden cup in her hand full of the abominations and filthiness of her fornication.<sup>3</sup>

5 And upon her forehead was a name written, MYSTERY,<sup>4</sup> BAVEL - THE GREAT, THE EEMA OF HARLOTS AND ABOMINATIONS <sup>5</sup>

9 And here is the mind that has chochmah. The seven heads are the seven mountains, on which the woman sits. <sup>6</sup>

**And the woman that you saw is that great city, <sup>7</sup> that reigns over the melechim of the olam.**

---

<sup>1</sup> Arabian wilderness. John was carried away in the Spirit to the desert; the Greek word used here is "eremos" meaning a desert. This is the clue that rules all 'European beast' theories out. He saw the woman symbolic for a city, normally the Greek word 'polis' is used, in Hebrew the word 'eer' and in Arabic the word 'medina' is used, but the more correct word in the Aramaic is the word "mdintha," that could also designate an area or a district/province, or even a country. This place is close to the sea and right in the desert and fits Saudi Arabia perfectly. I believe this could correctly mean a country rather than just a city because Saudi Arabia rides the beast, not just the city Mecca, although the city of Mecca is a better fit for the specific city by the seven mountains.

<sup>2</sup> Multiple false titles for YHWH.

<sup>3</sup> No city or kingdom on earth can match the wealth of Saudi Arabia. She is decked with all the riches known to man.

<sup>4</sup> The mystery is revealed. Many who thought the beast of Babylon was Rome, will find out that Mecca in Saudi Arabia proclaims the very religion started in Babylon by Nimrod and now propagated by Mecca to the entire globe.

<sup>5</sup> Abominations are defined as unclean practices and Torah breaking. The Babylonian religion now found in Mecca, a daughter of the land of its origin proclaims a bible different than the true one and a deity who has a bloodlust causing the beast to be drunk with the blood of those who love Messiah and Torah.

<sup>6</sup> Mecca in Saudi Arabia. The Greek word used here is not hills but mountains. Rome is in the midst of seven hills. But Mecca is literally in the midst of seven mountains.

<sup>7</sup> Mecca. Rome will never rule all let alone most of the earth, as all the Islamic nations and Israel will not allow that to happen. Only Mecca meets the criteria through the almighty petrodollar of being able to rule the world through economic blackmail and strangulation.

It's a mystery because the religious world thinks it has moved, but it has not! Moreover, because today, when looking at a map one does NOT FIND BABYLON, but finds Syria, Turkey, Iran, Iraq, Jordan etc. the land of Babylon has been renamed many times over; and thus the mystery of "where did she go?"

John along with Jeremiah the prophet saw historical Babylon. This is clear!!!! Not Rome or N.Y. or Washington. So that leaves an interesting question remaining. Where is the messed up end time church system actually mentioned in Gilyahna/Revelation? Or is she mentioned at all? Glad you asked!

### Gilyahna/Revelation 2:18-25

18 And to the teaching overseer of the congregation in Thyatira write; **These things says the Son of יהוה**, who has eyes like a flame of fire, and His feet are like fine brass;

19 I know your mitzvoth, and ahava, and service, and emunah, and your endurance, and **your mitzvoth; and the last to be more than the first.**

20 But I have a few things against you, because **you allow that woman Isavel, who called herself a neviyah, to teach and to seduce My avadim to commit fornication, and to eat things sacrificed to idols.**<sup>8</sup>

21 And I gave her time (2,000 years) to make teshuvah from her fornication; and she repented not.

22 See, I will **cast her into a coffin,**<sup>9</sup> and them that commit adultery with her into Great Tribulation, unless they make teshuvah from their deeds.<sup>10</sup>

23 And I will kill her children with death; and all the Yisraelite congregations shall know that I am He who searches the minds and levim: and I will give to every one of you according to your wicked deeds.

24 But to you I say, and to the rest in Thyatira, as many as **have not this teaching of uncleanness, and who have not known the depths of s.a.tan, as they call them; I will put upon you no other burden.**

**26 And he that overcomes, and keeps My mitzvoth (Torah) to the end, to him will I give power over the gentiles:**<sup>11</sup>

29 He that has an ear, let him hear what the Ruach says to the Yisraelite congregations.

**The name Isabel is actually derived from an old Semitic name meaning "daughter of BA'AL," or daughter of the lord. See: (<http://www.blurtit.com/q295746.html>).**

Here is the ONLY place that the Roman Catholic and Protestant churches are mentioned in Revelation through this metaphor. To understand the symbolism used in these warnings we need to really know the actual account of the original historical Isavel and then we will understand the end time Isavel under YHWH's judgment. Melechim Alef/First Kings 16:31 says:

31 And it came to pass, as if it had been a small thing for him to have his halacha in the sins of Yahravam the son of Nevat, that he took as his wife Isavel the daughter of Etba'al melech of the Tzidonians, and went and served Ba'al,<sup>12</sup> and worshipped him.

32 And he reared up **an altar for Ba'al in the bayit of Ba'al,** which he had built in Shomron.

**Meaning false worship established by Isavel in Efrayim today (Samaria was the former capital of Efrayim), mostly found in the Sunday church system.**

18: 4 For it was, **when Isavel cut down the neviim of יהוה**, that Ovadyah took a hundred neviim, and hid them by fifty in a cave, and fed them with lechem and mayim.

19 Now therefore send, and gather to me kol Yisrael to Mount Carmel, and **the neviim of Ba'al**<sup>13</sup> four hundred fifty, and **the neviim of the Asherah** four hundred, **who eat at Isavel's shulchan.**

<sup>8</sup> A particular woman leading sheep astray. This is not speaking of a spirit of any kind. It is a rebuke of an anti-Torah deceiver, who happens to be a woman.

<sup>9</sup> Aramaic word arsa in this context is clearly a bed of death, or a coffin.

<sup>10</sup> An unclean and unrighteous lifestyle will lead to being overcome by the Great Tribulation, as opposed to overcoming through it.

<sup>11</sup> Yisrael is called to rule with Messiah over the heathen-gentiles, and therefore by definition cannot be the gentiles.

<sup>12</sup> "The lord."

21: 23 **And of Isavel also spoke יָהוָה, saying, The dogs shall eat Isavel by the wall of Yezreel.**

Melechim Bet/Second Kings 9:

35 And they went to bury her: but **they found no more than her skull, and the feet, and the palms of her hands.**

36 Therefore they came again, and told him. And he said, This is the word of יָהוָה, which He spoke by His eved Eliyahu the Tishbite, saying, **In the portion of Yezreel shall dogs eat the flesh of Isavel:**

37 **And the carcass of Isavel shall be as dung upon the face of the field in the portion of Yezreel; so that they shall not even be able to say, This is Isavel.**

The historical Isavel had done the following:

- Had asked the Israelites to give up on circumcision and Torah.
- Financially established and supported a false Baal priesthood and false prophetic school and paid them to lead in the worship of Baal and Asherah.
- Killed true leaders and prophets.
- Promoted the worship of Asherah.
- Put up an Asherah pole and asked its adherents to worship it.
- Isavel caused idolatry in Israel by deceiving people to worship Baal/the lord as a way to worship YHWH.
- Ruled through religious and spiritual intimidation.
- Disregarded her husband's influence.
- Appeared to be a Yisraelite, but was the daughter of a foreign power and king.
- Painted her face green with grove altars.

End time Izavel in Gilyahna/Revelation is a "she". The organized church system is described as a "Bride" and is a feminine entity. The members are the victims of a false priesthood and false prophetic school. **Metaphoric symbols used in Gilyahna/Revelation 2 for end time Isavel, match all the characteristics of historical Isavel.** The symbols all fit Rome and the "unreformed" reformation churches. Let's see:

- A woman by the name of Izavel.
- A murderer and destroyer of the true besorah message.
- She calls herself a prophetess, but she has a false message!
- She overrides her husband's (Yahshua's) commands.
- She seduces YHWH's people via false teaching.
- She seduces YHWH's people via spiritual adultery, or idolatry, like the worship of saints and Mary.
- She causes people to commit sexual immorality, by forbidding marriage and normal healthy sex.
- She causes them to eat things sacrificed to Idols. This metaphor is the communion wafer, sacrificed weekly to a gentile, anti-Torah, non-Hebraic caricature named Jesus.
- Rules through a religious hierarchy and spiritual intimidation.
- Appears to be Yisraelite, but is actually the daughter of a foreign power.
- She kissed the Qur'an and told other papists that "Allah is also God" and another way to worship YHWH. She has painted her face green.
- She established Christmas and Easter both pagan Babylonian celebrations of fertility and birth.

What will be the punishment of Rome and the reformation anti-nomian churches? If she does not make teshuvah, then Rome together with others who follow after Roman religious traditions, will be put into the Great Tribulation to die; **many will be killed by BEHEADING by the Islamic Beast, who will devour all these people and still have an appetite for more innocent blood.**

Rev. 2:23 ***And I will kill her children with death; and all the Yisraelite congregations shall know that I am He who searches the minds and levim: and I will give to every one of you according to your wicked deeds.***

What kind of death? Dogs will eat her. What dogs? Islam the beast. **The beast system will BEHEAD, OR CUT OFF HER HEAD, as Melechim Bet/Second Kings 9:35 tells us happened to historic Isavel!** We are seeing that already!

Melechim Bet/Second Kings 9: 35 And they went to bury her: but **they found no more than her skull, and the feet, and the palms of her hands.**

The historical Isavel was decapitated beyond recognition and so will all those in “end time Isavel,” who play nice, or who try to compromise with the beast and who lead believers into false worship, a worship that makes room for the beast and their deity Allah.

37 And the carcass of Isavel shall be as dung upon the face of the field in the portion of Yezreel; **so that they shall not even be able to say, This is Isavel. Doesn't sound like a rapture to me! The tares will be left behind and like the historical Izavel, will rot away as dung**

Thus the book of Gilyahna/Revelation teaches the full destruction of the Islamic end time beast empire, **but also Isavel, or the churches that taught believers to present strange fire before YHWH and who foolishly tried to negotiate, or tame the beast, through ecumenicalism and peace accords, which YHWH forbids!** Here is YHWH's promise in the future, with a chilling and sober warning for end time Isavel:

22 **See, I will cast her into a coffin,<sup>14</sup> and them that commit adultery with her into Great Tribulation, unless they make teshuvah from their deeds.<sup>15</sup>**

Of course there are SOME born again believers who are marked to be killed for the glorious testimony of Yahushua and His Torah by the beast, not for any kind of disobedience on their part. Yet, many of end time Isavel on the other hand, will be killed for their ugly disobedience and abominations before YHWH.

Yirmeyahu/Jeremiah 50:6 My people have been lost sheep. **Their shepherds have led them astray; they have turned them away on the mountains** (of Islam and idolatry).

Here's the message of the hour my friends. **MAKE SURE THE RIGHT SHEPHERDS ARE BEING ALLOWED TO TEACH YOU!!!** You have the power of attorney. **Use it! Garnering truth is your responsibility and no one else's!**

If you are part of any sort of end time Isavel, **that can be easily spotted by the criteria I have listed above;** don't think the beast won't give you the same end as the historical Isavel. Read the Muslim version of their perverted Torah and their plans for end time Isavel:

***Quran-Sura 5:33'': The punishment of those who wage war against Allah and His apostle and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned; this shall be as a disgrace for them in this world, and in the hereafter they shall have a grievous chastisement,***

<sup>14</sup> Aramaic word arсах in this context is clearly a bed of death, or a coffin.

<sup>15</sup> An unclean and unrighteous lifestyle will lead to being overcome by the Great Tribulation, as opposed to overcoming through it.

Allah dictates to his followers to murder and cut off the hands and feet of those that cause mischief against Islam. This punishment will be given to these "misguided churchmen," because Muslims are commanded to do so, against the clear idolatrous practices of the church world, yet ironically it is the ultimate fulfillment of Scripture, as YHWH has decreed in Revelation/Gilyahna chapter 2. How tragic, yet true, this all is!
