**-The Scriptures from South Africa- uses the Masoretic rabbinical text as its main source and the Textus Receptus. Hundreds of errors in anti Yahusha-Yahushua redactions!**

**-The HRV James Trimm Bible. Denies that the New Covenant has even arrived & translated by a most dubious individual who still hasn't filled orders!**

**-The Cephers-Full of errors and books that are elevated to Scripture status on a whim, without any rhyme or biblical criteria. Hard to read with run on texts!**

**-Yahweh's Restoration Study Bible-A basic King James bible with Hebraic dress up. Not a true Hebraic bible; more of a sacred name church bible!**

**-Besorah of Yahusha-Yahushua Version- Lots of guesswork as to how Paleo Hebrew was actually pronounced. Translated edited by a non Hebrew speaker. Lack of deep study notes to help!**

**-Halleluyah Scriptures-Masoretic based and partly borrowed without permission from the South African Scriptures!**

**PERHAPS THE WORST ISSUE WITH ALL THE ABOVE TRANSLATIONS IS THAT THEY USE THE FLAWED AND REDACTED ANTI-YAHUSHA RABBINIC MASORETIC TEXT AS THEIR BASE HEBREW TEXT! THE RSTNE ALONE USES THE LXX & ARAMAIC AS A BASE TEXT TO ESCAPE AND CORRECT THESE CENTURIES OLD RABBINIC REDACTIONS!**

These are all copy cat, Johnny come lately attempts and getting your \$\$\$ in a growing market. We all know what happens to fiat paper money that is worthless. There are other so called true Name bibles that are not even worth mentioning, shoddily produced and edited.

We publish and distribute the only Gold Standard Scripture that stands the test of every measure of translation and contextual thematic interpretation and has set the bar high for over 15 years! We meet the high criteria required in any good translation. Scholars from Eddie Chumney to Andrew Gabriel Roth [before he did his own Aramaic version 😊] have called the RSTNE the best out there! Here are a few things that highlight the differences.

Keep in mind that old put of print RSTNEs sell for 1,000 dollars or more on E Bay and Amazon. Why? Because people realize its increasing value and it has stood the scrutiny of both time and critics! Here is what the RSTNE offers you: for 15 + years it has been and remains the GOLD STANDARD of Hebraic restoration texts!
