Psalm 51:5 - Three Deaths Of Scripture -

Death Threats ko. The Bible talks about, spiritual death, physical death, eternal death. The entire human race was born to inherit and experience all 3 deaths.

The Curse

① Spiritual Death Gen 2:17 - Came upon mankind with the breaking of the Edenic Covenant. Spiritual death was the result of disobedience and the violation of 1 command. God promised a spiritual death to Adam & Eve if they rebelled. All the patriarchs were born spiritually ~~dead~~ dead.

Psalm 51:5. David confesses that he was born spiritually dead.

Genesis 3:22. - Spiritual death cut off eternal life. Adam & Eve tried to live forever without the Spirit. This was an impossibility.

Gen 4:17 & 18. - One generation later without the Spirit Cain slew Abel. Spiritual death passed on. Anger, jealousy, unforgiveness & corruption all set in & decaying process began. Religion introduced in verse 17 & 18.

God does not want our bodies to live forever without the Spirit.

That's why the way back to Eden was blocked with Cherubim.

Solution to Spiritual Death - You must be born again. It's a command.

*This is man's biggest problem

The Result

②

Physical Death - This was not the judgement of God. Physical death is the natural progression of ~~physical~~ ^{spiritual} death. Physical death is the outward manifestation of an inward reality. Anything void or separated from ~~the~~ "God's Spirit", will die. So it is with man's body. Man was created on the earth to live forever physically. What went wrong? Inner death took place, then physical death. Adam died 930 years after he died spiritually. That shows that the curse was spiritual death. Had it been physical death Adam would have died instantly. Abraham would have died ~~spiritually~~ physically immediately, instead he lived much later after his death. (175 yrs)

Physical death is not the issue. Spiritual death is the issue.

Solve the first & you'll automatically solve the second. (1 Thess 4:13-18)

John 10:10 - Abundant life. Zoe life. - Victory over all 3 death's.
The dead shall rise. The physical will rise. Resurrection of the Dead
is one of the main tenants of Judaism. (Machayeh - Hanetam).
The dead in Messiah will live. This will happen by ~~with the coming~~
resurrection.

3) Eternal Death - Physical will lead to Eternal. An unbeliever will
experience abundant death. (all 3). That's why in order to offset the
abundant death (3 death's), Yeshua had to come with abundant
life. Eternal death is the final stage of the cursed.
Eternal death is separation eternally from God, in a place called
hell. Eternal death is in ~~the~~ eternity, what ~~physical~~
spiritual death is in time & space. Both lead to separation
from God's face & God's presence. ~~at the time of resurrection~~
The Bible calls the third death the second death. (Rev. 20:14).

(Rev 20:11-14).
Eternal Death is the worst result of the fall. It is the
natural progression of a final punishment of the cursed.
The only way to escape this other than by being born again.
