Angelic Wrestling During Passover Season

Taught Live at B'nai Yahshua Synagogue North Miami Beach Florida

Apostle Moshe Yoseph Koniuchowsky

Pesach and the Pesach season is an annual time when there is GREAT warring in the heavens between clean and unclean angels. This war is fought on, or played out on earth, in the powers of darkness versus YHWH's messengers and servants.

This is why so many personal attacks, problems, divisions, strife, stress, contention and exposure of shocking types of sin takes place at this time of year, EVERY YEAR. Pesach is an annual moed/feast, but also an annual reminder of the fact that we remain in a real and ongoing heavenly war being played out on earth! Corintyah Bet-Second Corinthians 10:3-5.

Though in the flesh, we are experiencing the spillover, or spill DOWN, of the heavenly war between our Father's agents and s.a.tan's agents. We are Yahshua's agents, along with the clean angels and thus experience all, or some of the following during this and every Passover season.

Individual Attacks During Passover Season

- Sickness
- Marriage strife
- Division
- Hatred
- Unforgiveness
- Depression
- Confusion
- Disobedient children
- Hospitalization
- Fornication
- Lust
- Lying
- Stress
- Pressure
- Finances

And many other darts of the enemy are thrown at us because we belong to the One who bought us with His Passover blood!

Gilyahna/Rev 12 17: And the dragon was angry with the woman, and went to make war with the remnant of her zera, that shomer the mitzvoth of יְהוָה, and have the testimony of יהושע ha Moshiach.

The woman is Yisrael. The dragon is s.a.tan, who has and will make war with the disciples of Yahshua who obey Torah. This activity reaches its zenith every Pesach season as the dragon is not in a good mood because of the blood of the LAMB, the season of the reminder of his impending eternal torment.

Attack Against Messiah During Passover Season-

Luke 22:53 *When I was daily with you in the Beit HaMikdash, you did not even point your hands against Me: but this is your time, and the power of darkness.*

Passover is the TIME OF VICTORY FOR US, HIS KEHILLA, BUT ALSO THE GREATEST AND MOST STRESSFUL TIME OF PERSONAL TESTING AND ATTACK, AS IT WAS AGAINST YAHSHUA, WHEN HE WALKED THE EARTH! HE PREVAILED, AS OUR EXAMPLE AND SO SHALL WE!

Gilyahna/Rev 12

7 And there was war in the shamayim: Micha-El and his heavenly malachim fought against the dragon; and the dragon fought with his heavenly malachim,

8 And the dragon prevailed not; neither was their place found any more in the shamayim.

s.a.tan will not prevail in his pressure/war against us, but there is still a war to be fought against him. His war is now waged on earth, as this is where YHWH has evicted him. Just like in heaven, s.a.tan will lose and not prevail in the earth, but we must hold fast and resist him in the faith.

9 And the great dragon was cast out, that head serpent, called the Akel Kartza and also called s.a.tan, who deceives the entire olam hazeh: he was cast out into the olam, and his heavenly malachim were cast out with him.

He is not alone and has much assistance in his powerful attempts to destroy us.

10 And I heard a loud voice saying in the shamayim, Now has come deliverance and strength and the malchut of our אלהא, and the power of His Moshiach: for the Akel Kartza, the accuser of our Yisraelite brothers is cast down, who accused and slandered them before our אלהא day and night.

s.a.tan had brought his ministry of lying, accusation, condemnation and division down to earth. He dishes this out in large portions during the Passover season, as we'll see later in Corintyah Alef/First Corinthians 11. The Corinthian congregation had such divisions and schisms that it couldn't even hold the Passover due to strife and personal egos and agendas, gluttony, selfishness and such. We had that just this last Passover.

11 And they overcame him by the dahm of the Lamb, and by the word of their testimony; and they loved not their lives even to the death.

As Yisrael we overcome the Akel Kartza and his slander with the truth of our testimony in Yahshua's blood, a truth for which s.a.tan has no response. Its is because of his hate for the blood of redemption that he is most revengeful at Pesach season. So while it's a time to rejoice and celebrate, it's also a time to be on guard and high alert! We are to watch more than the 1 short hour Yahshua requested in the Garden of the SKULL/Mt. of Olives.

12 Therefore gilah, you shamayim, and you that dwell in them. Woe to the inhabitants of the olam and of the sea! For s.a.tan has come down to you, having great wrath, because he knows that he has but a short time.

13 And when the dragon saw that he was cast to the olam, he persecuted the woman who brought forth the Male-Child.

That's why Passover is this heightened season of angelic wrestling. Clean angels are protecting the WOMAN Yisrael in her struggle to serve and please YHWH! *(Relate the personal story of someone finding a new job that starts on Pesach, between the evenings, so that s.a.tan can get them to break the annual Shabbat and IGNORE THE ANNUAL COMMUNION DURING PASSOVER. Another attempt to bypass and disgrace the BLOOD of the LAMB.)*

Passover A Time Of Judgement-Beresheet/Genesis 19:

And there came two heavenly malachim to Sedom at evening; and Lot sat in the gate of Sedom: and Lot seeing them rose up to meet them; and he bowed himself with his face toward the ground;

2 And he said, See now, my masters, turn in and stay here, Please, into your eved's bayit, and stay all night, and wash your feet, and You shall rise up early, and go on your way. And they said, No; but we will stay in the street all night.

3 And he pressured them greatly; and they turned in to stay with him, and entered into his bayit; and he made them a feast, and did bake matzah, and they did eat.

At Passover clean angels activate and appear to destroy Sedom and Gomorrah!

Mass Murder At Passover-
Shemot/Exodus 12

23 For יהוה will pass through to smite the Mitzrim; and when He sees the dahm upon the lintel, and on the two side posts, יהוה will pass over the door, and will not allow the destroyer to come in to your batiym to smite you.

The destroyer is either s.a.tan, or one of his top lieutenants, known in Hebrew as the malach ha mavet! This demon executed the mass murder of the first Pesach! He kills whoever he wishes and whoever YHWH allows him to.

Angelic Guidance At Passover-
Mattityahu/Matt 26:

18 And he said, Go into the city to a man who will be a volunteer for the task, and say to him, *The Master said, My time is at hand; I will keep the Pesach at your bayit with My talmidim.*

This volunteer is a clean angel leading the disciples to the upper room for the Moshiach's Memorial supper.

Mark 14

12 And before the first day of Chag Matzoth, when they killed the Pesach, His talmidim said to Him, Where do You desire that we go and prepare so that You may eat the Pesach?

13 And He sent out two of His talmidim, and said to them, Go into the city, and there shall meet you a man bearing a pitcher of mayim: follow him.

14 And wherever he shall go in, say to the owner of the bayit, The Rabbi said, Where is the guest room, where I shall eat the Pesach with My talmidim?

15 *And he will show you a large upper room furnished and prepared: there make it ready for us.*

16 And His talmidim went out, and came into the city, and found it as He had said to them: and they made ready the Pesach.

This messenger is volunteering to serve YHWH, by guiding the talmidim in preparation of the Pesach. Angelic activity.

Matt 26: 53 *Do you not understand that I can meet My enemies and that I can now make tefillah to My Abba, and He shall presently give Me more than twelve legions of heavenly malachim?*

54 *But how then shall the Keetvay HaKadosh of the Tanach be fulfilled, that it has to be this way?*

Clean angels were on alert ready to war for YHWH's Son at Passover if He commanded such. Again we see heightened activity.

Ivrim/Hebrews 1:7 And of the heavenly malachim He says, Who makes His heavenly malachim ruachim, and His avadim a flame of fire.

14 Are they not all serving ruachim, sent forth to serve those who shall be heirs of salvation?

Angels are ministering spirits sent to minister and serve those who are the heirs of the salvation of the Paschal Lamb.

Angelic Proclamations At Passover Season-
Mattiyahu/Matt. 28

1 In the evening of the Shabbat, as it began to dawn, towards the first of the week, came Miryam of Magdala and the other Miryam to see the tomb.

2 And, see, there was a great earthquake: for the heavenly malach of the Master יהוה descended from the shamayim, and came and rolled back the stone from the door, and sat upon it.

3 His appearance was like lightning, and His clothing white as snow:
4 And for fear of him the guards did shake, and became as dead men.
5 And **the heavenly malach answered** and said to the women, Fear not: for I know that you seek יהושע, who was impaled.
6 He is not here: for He is risen, as He said. Come; see the place where the Master יהושע lay.

Angels descended from the heavens to announce the resurrection and GUARD The Son of YHWH's body around the Passover season, during the counting of the omer.

Luka/Luke 24

4 And it came to pass, as they were much perplexed about it, see, **two men stood by them in shining garments:**
5 And as they were afraid, and bowed down their faces to the earth, they said to them, Why seek you the living among the dead?
6 He is not here, but is risen: remember how He spoke to you when He was yet in Galil,

More Passover angelic activity.

Clean Angels Strengthening Believers During Passover Season-

Luka/Luke 22

42 Saying, *Abba, if You are willing, remove this cup from Me: nevertheless not My will, but Yours, be done.*

43 And there appeared a heavenly malach to Him from the shamayim, strengthening Him.

Yahshua was able to obey the Father in His anguish, because "Passover angels" ministered to Him and strengthened Him.

Attacks Against The Kehilla During Passover Season-

Maaseh Shlichim-Acts 12

Now about that time Herod the melech stretched out his hands to do evil to certain of the congregation of Yisrael.

2 And he killed Yaakov the brother of Yochanan with the sword.

Yaakov/James our first rabbi after Yahshua was killed at Pesach.

3 And because he saw it pleased the unbelieving Yahudim, he proceeded further to take Kepha also. These were the days of Chag Matzoth.

Pesach then as now brought great anguish and trials against believers, as Herod, s.a.tan's disciple did his unclean bidding against the congregation!

4 And when he had apprehended him, he put him in prison, and delivered him to four squads of soldiers to guard him; intending after Pesach to bring him out to the people.

5 Kepha therefore was kept in prison (during Passover): but tefillah was made without ceasing by the congregation of Yisrael to ירחו for him.

The talmidim were in spiritual warfare during Pesach as great tribulation was poured out into the lives of the disciples and our leaders.

6 And when Herod would have brought him out, the same night Kepha was sleeping between two soldiers, bound with two chains: and the guards in front of the door guarded the prison.

7 And, see, the heavenly malach of the Master ירחו came upon him, and a light shone in the prison: and he touched Kepha on the side, and raised him up, saying, Rise up quickly. And his chains fell off from his hands.

8 And the heavenly malach said to him, Gird yourself, and tie your sandals. And so he did. And he said to him, Cast your garment around you, and follow me.

The wording here is reminiscent of the hasty departure, the sandals and staff of the first Pesach!

9 And he went out, and followed him; and did not know that it was real which was done by the heavenly malach; but thought he saw a vision.

10 When they were past the first and the second guard posts, they came to the iron gate that leads to the city; which opened to them on its own accord: and they went out, and passed on through one street; and at once the heavenly malach departed from him.

11 And when Kepha had come to himself, he said, Now I know for sure, that the Master יהוה has sent His heavenly malach, and has delivered me out of the hand of Herod, and from all the expectation of the people among the unbelieving Yahudim.

Peter was caught up in a spiritual war between s.a.tan's messengers and YHWH's messengers trying to comprehend things.

12 And when he had realized this, he came to the bayit of Miryam the eema of Yochanan, whose surname was Moshe-Markus; where many were gathered together making tefillah.

Again we see that the talmidim were in spiritual warfare during Pesach, as great tribulation was poured out into the lives of the disciples. Pesach is not just a time to enjoy, but to pray and be on guard and high alert!

13 And as Kepha knocked at the door of the gate, a young girl came to listen, named Rhoda.

14 And when she knew Kepha's voice, she did not open the gate due to uncontrollable simcha, but ran in, and told how Kepha stood outside the gate.

15 And they said to her, You are meshugas. But she constantly affirmed that it was even so. Then they said, It is his heavenly malach.

They believed that their warfare had accomplished deliverance from prison for Kepha, by releasing a clean Passover angel on his behalf.

Angelic Judgment During Passover-

Maaseh Shlichim-Acts 12

21 And upon a set day Herod, arrayed in royal apparel, sat upon his kesay, and made a verbal address to them.

22 And the people gave a shout, saying, It is the voice of a mighty one, and not of a man.

They heard an unclean Passover angel speaking through Herod.

23 And immediately the heavenly malach of the Master יהוה killed him, because he gave not יהוה the tifereth: and he was eaten by worms, and gave up the ruach.

During this same Passover season, the angel of death slaughtered Herod for his blasphemy against YHWH! All kind of angelic action is taking place around Jerusalem.

Yahoshua-Joshua 5 -An Entire Generation Attacked From Observing Passover By Demons-

7 And their children, whom He raised up in their place, upon those did Yahoshua perform brit-milah: for they were uncircumcised, because they had not performed brit-milah on the derech.

Why did an entire generation born in the wilderness not obey YHWH and perform brit milah/circumcision in order to celebrate the Passover? Because s.a.tan would do anything to cause the blood of the lamb to be ignored or denied. No doubt, there was great angelic activity among the demons during these years at every Passover in the wilderness, after the new generation was born. Thus Joshua himself had to personally circumcise all the males, when they entered Israel. Quite a huge job.

8 And it came to pass, when they had done performing brit-milah upon all the people, that they abode in their places in the camp, until they were healed.

9 And יהוה said to Yahoshua, *This day have I rolled away the reproach of Mitzrayim from off you.* Therefore the name of the place is called Gilgal to this day.

Circumcision in preparation for the Passover, is the rolling away of the reproach and filth of the world so that one may eat the Passover. Even today demons fight returning Yisraelites from receiving brit milah, by making it difficult, or telling them it is no longer necessary to be circumcised in order to eat the Passover. This is a doctrine of demons.

Five Generations Attacked From Observing Passover By Demons-

Divre HaYamim Bet-Second Chronicles 35:

18 And there was no Pesach like that one kept in Yisrael from the days of Schmu'el the navi; neither did all the melechim of Yisrael ever shomer such a Pesach as Yoshiyahu kept, and the Kohanim, and the Lewiyim, and all Yahudah and Yisrael that were present, and the inhabitants of Yahrushalayim.

After this from the time of Samuel until Yoshiyahu/Josiah a period of some 550 years all Yisrael did not observe the Passover. See a pattern? Due to unclean angelic activity, and strong opposition from the enemy, they had no desire to obey YHWH, as s.a.tan fought them from doing so.

Clean Angels Appear to Fight On Our Behalf During Passover-

Joshua 5:13 And it came to pass, when Yahoshua was by Yericho, that he lifted up his eyes and looked, and, see, there stood a Man opposite him with His sword drawn in His hand: and Yahoshua went to Him, and said to Him, Are You for us, or for our enemies?

14 And He said, No; but as Captain of the armies of יהוה I am now come. And Yahoshua fell on his face to the earth, and did worship, and said to Him, What says My Master to His eved?

15 And the captain of יהוה's camp said to Yahoshua, Loose your sandals from off your feet; for the place where you stand is kadosh ground. And Yahoshua did so.

This heavenly manifestation of a "Man," is more proof that during the Passover season, the Angel of YHWH, in this case Yahshua Himself, the Ultimate Messenger of YHWH, showed up as the CAPTAIN of YHWH's armies. Again, this activity is seen during the Passover season, as Yisrael prepares to wage war against the enemies of YHWH!

The Yisraelite Congregation Under Attack During Passover-Passover Procedures Under Intense Attack

Corintyah Alef/First Corinthians 11

10 For this cause ought the woman to have a symbol of authority on her head because of the unclean fallen shadim.

Before Rav Shaul/Paul expounds upon Passover/communion procedures, he admonishes all woman to wear heacoverings, not Muslim veils, in order to pray and intercede without interference during the Passover season!

As we are about to see, verse 18 to the end of the chapter speaks of PASSOVER PROCEDURES related to heightened angelic demonic activity

18 For first of all, when you come together in the Yisraelite congregation, I hear that there are divisions among you; and I partly believe it.

19 For there must be controversies and also heresies among you, that those who are approved may be made manifest among you.

Therefore believers are responsible for making sure that heresy is not being taught and thereby true teachers will be recognized as those approved by the Word during the Passover season.

Passover is a time when demons propagate both old and new heresies! Have you noticed the anti Messiah films such as "LOST TOMB OF JESUS," "THE PASSOVER PLOT," and "THE DIVINCI CODE," ALL WERE RELEASED BY

DEMONIC FORCES DURING THE PASSOVER SEASON? Did you see how demons and religious demons attacked a true Messiah honoring film at Passover with the Passover release of “The Passion Of the Christ”?

20 When you come together therefore into one place as Yisrael, do not eat and drink inappropriately on the day of Shabbat, the day of our Master.

The Aramaic states “the day of our Lord,” rather than the Greek “Lord’s Supper,” which does not fit the context, since gorging in food and drink is impossible with the tiny sacraments used in the so-called “Lord’s Supper” practiced by the Christian movement. Yahshua told His followers that the “day of our Master” was Shabbat, according to Matthew 12:8. So Paul goes on to remind Yisrael that Shabbat conduct, should match the orderly conduct of a Passover meal, as he outlines just a few verses later in verse 23, which is a Passover seder, or an orderly service of gathering.

21 For in eating every one takes his own meal first: and one is hungry, and another is drunk.

The kehilla again seen as under demonic attack during Passover via manifestations of selfishness and self will.

22 What’s going on? Don’t you have houses to eat and to drink in? Or, do you despise the Yisraelite congregation of יהוה, and shame those that have nothing? What shall I say to you? Shall I give tehilla to you for this? I will not give you tehilla.

Not acceptable Passover conduct. What good is a Seder on the table when there’s no Seder among the people?

23 For I have received from יהוה that which also I delivered to you, that the Master יהושע the same night in which He was betrayed took lechem:

24 And when He had said the bracha, He broke it, and said, Take, eat: this is My body, which is broken for you: this do in remembrance of Me.

25 After the same manner also He took the kiddush cup, after He had eaten, saying, This cup of geulah is the Brit Chadasha in My dahm: this do, as often as you drink it, in remembrance of Me.

26 For as often as you eat this lechem, and drink this cup, you do show יהושע’s death until He returns.

“As often as you do this” means that when the proper time rolls around annually on the 14th of Aviv between the evenings, that is to say 3-6 PM, then do it in remembrance of Me. This does not mean that a believing congregation is to do this as often as they feel like it. Rather they are to do it by submitting to the times and frequencies that Yahshua did, since after all, we are remembering what He did, not what the church council, or the elder board commands us to do. Communion is taken once a year during Passover, not as an event divorced from Passover.

Rav Shaul is disgusted with the confusion-taking place at Passover, and desires order and decency to be restored so that a watchful and praying congregation can withstand the devil’s attacks, and enjoy harmony and sweet fellowship at Passover.

27 Therefore whosoever shall eat this lechem, and drink this cup of the Master יהוה, unworthily, shall be guilty of the body and dahm of the Master יהוה.

Is later defined in verse 29 as not discerning His broken body for our sins, and the great eternal consequences associated with that, as well as not discerning the unity and love required in the body of Yisrael before this meal can ever be shared. We are to forsake all demonic influences during this season.

28 But let a man examine himself, and so let him eat of that lechem, and drink of that cup.

Each believer must be individually on guard during the Passover season and meal.

29 For he that eats and drinks unworthily, eats and drinks damnation to himself, not discerning the body of the Master יהוה.

30 For this reason many are weak and sickly among you, and many are dead.

There cannot be unforgiveness and divisions in the camp during this solemn Passover time. Many had already found that out the hard way. As seen, Passover is a time when believers often become sick via demonic attack.

31 For if we would judge ourselves, we should not be judged.

We can avoid YHWH's judgment on the devil and unclean angels by examining our own hearts and being real with ourselves and then repenting before YHWH.

32 But when we are judged, we are disciplined by יהוה, that we should not be condemned with the olam hazeh.

33 Therefore, my Yisraelite brothers, when you come together to eat, wait one for the other.

All Passover rituals must be done in unison, fostering unity, as the Passover is under attack by the unclean world of demons. All must be on time for the Passover, as we wait for all to be present, so that eating is not an individual exercise.

34 And if any man is hungry, let him eat at home; so that when you come together it is not for condemnation.

Passover is not merely a meal. It is a celebration by the righteous with right hearts.

34 And the rest of the Pesach procedures I will set in order when I come.

In a remez/hint application of the Word, Yahshua can be saying that those things about the spirit world that you may not yet comprehend about angelic activity during Passover and its intense warfare will be revealed to you at My appearing again.
