

Zacharyah-Zechariah chapter 5 Study Notes

5

Then I turned, and lifted up my eyes, and looked, and see a flying Torah scroll.

2 And He said to me, *What do you see?* And I answered, I see a flying Torah scroll; ⁱ the length is twenty cubits, and the width ten cubits.

3 Then He said to me, *This is the curse* ⁱⁱ *that goes forth over the face of the whole land: for everyone that steals* ⁱⁱⁱ *shall be judged according to its contents;* ^{iv} *and everyone who swears falsely,* ^v *shall be judged according to it.*

4 *I will bring it forth, says* יהוה *tzevaoth, and it shall enter into the bayit of the thief, and into the bayit of him that swears falsely by My Name: and it shall remain in the midst of his bayit, and shall consume it along with the timber and the stones.* ^{vi}

5 Then the heavenly malach that talked with me went forth, and said to me, Lift up your eyes, and see what is this that goes forth. ^{vii}

6 And I said, What is it? ^{viii} And he said, This is an ephah-measure-barrel ^{ix} that goes forth. He said moreover, In it are the transgressions of all the earth. ^x

7 And, see, a talent-measure of lead was lifted up: ^{xi} and a woman was sitting in the midst of the ephah-measure-barrel. ^{xii xiii}

8 And he said, This is wickedness. And he cast her into the midst of the ephah; and he cast the talent of lead upon its mouth. ^{xiv xv}

9 Then lifted I up my eyes, and looked, and, see, there came out two women, ^{xvi xvii} and the wind was in their wings; ^{xviii} for they had wings like the wings of a stork: ^{xix} and they lifted up the ephah-measure-barrel between the earth and the shamayim. ^{xx xxi}

10 Then said I to the heavenly malach who talked with me, Where do these who bear the ephah-measure-barrel go? ^{xxii}

11 And he said to me, To build it a bayit ^{xxiii} in the land of Shinar: ^{xxiv} and it shall be established, and set there upon her own base. ^{xxv xxvi}

ⁱ Zechariah identifies the Torah as a large Torah not a missile.

ⁱⁱ In Hebrew Ha-Allah, or the false deity Allah. All those who openly break and defy Torah are cursed; specifically Muslims, who believe the Torah was corrupted by the Jews. Mohammad the Muslim prophet is the personification of the cursed state of an individual, or a nation breaking Torah.

ⁱⁱⁱ Islam steals the land from both houses of Israel.

^{iv} Contents of the blessing and curses in the Torah not a missile.

^v YHWH is setting forth judgement for all those that try to steal the "land of Israel," or heave it away. YHWH is destroying these thieves under a curse for swearing and propagating a demonic faith falsely by the name of Allah, the Babylonian moon deity.

^{vi} All those that swear falsely by the Torah and disobey it shall be killed, or cut off by it. All those that falsely claim Israel as their own land, shall suffer and bring a curse upon themselves and their children, as seen in Zechariah 5:3. The text "remain in their bayit/house," is a reference to a generational curse. Have you not noticed how though Arab Muslim nations are rich and wealthy, they still cannot prosper in real practical terms for the man on the street. Why is this? The reason is given above, that these are the ones who make the false claims on the land of Israel and swear by Allah. The curse that they brought upon themselves is a generational curse in their midst. No ones children can ever escape Islam without the blood of Yahshua liberating them and breaking the curse. The only way to break this curse is through the Messiah Yahshua by repentance and by acknowledging the promises of the Elohim of Israel to His chosen people Israel.

^{vii} Come and see who the thief is that has gone forth to steal and destroy the land of Yisrael.

^{viii} What/who is this cursed beast? Unlike the Torah scroll, which he could identify, Zechariah cannot identify the barrel of oil; therefore the barrel, or ephah cannot be a missile, since if it was he would have been able to identify both the missile's shape and its barrel. Clearly the barrel is a different object, or a different vision, or a different part of the vision than the flying Torah scroll of verse one.

^{ix} Now the Master is really identifying these people. The word "ephah" can be used for either gallons of liquid, or dry things, but here a liquid barrel of oil is in view; we are talking about barrels, what barrels? Barrels of oil. YHWH is

identifying a people with and sitting upon “gallons of oil” an economical wealth that affects the whole earth and the people identified are in the Middle East, confirmed by other references in the Bible such as Psalm 83, Ezekiel 35, Obadiah 1.

^x In Islam, is found the fullness of man’s bloodguilt and insane depravity.

^{xi} Lifted up with talents of wealth leading to being lifted up, or puffed up, with pride and arrogance.

^{xii} The woman in the midst of the oil barrel, sitting on fields and barrels of oil.

^{xiii} This woman (a city, or a range of location) sits in the middle of the oil! The talent is symbolic of the city that is controlling the economic cycles of the latter day nations. And who do you think this could be? The nations who control the economic cycles are the Arab nations with their oil. This woman, symbolic of a city, is in the midst of this entire black liquid (oil). Mecca/Saudi Arabia, or the daughter of Babylon!

^{xiv} YHWH shuts down the oil barrel (economic collapse) and the woman (spiritual collapse) due to its/her wickedness.

^{xv} The Master describes this city as wickedness reserved for judgment with the lead weight i.e. its sins being very heavy and not removed. Casting the lead weight is also symbolic of devastation by war. War in Iraq. Islam vs. the Kittim, or the western nations (west of Cyprus)! Babylon was and remains the source of origin for all false religions birthed by Nimrod.

^{xvi} Symbolic of Mecca/Saudi Arabia and Babylon/Iraq, or Babylon and her daughter, the world’s two leading oil producers.

^{xvii} First there was one woman (city) now there are two women (two cities). These women (propagating false faith) are spreading false religion through their political clout i.e. through the barrel of oil, and the blackmail of the petrodollar. They have a lot of economical power to move entire nations.

^{xviii} Unclean winds, or demonic moves and movements all emanating from these two women the mother and daughter of Babylon, Iraq and Saudi Arabia.

^{xix} The stork is an unclean/unkosher bird and this faith and political/economic blackmail emanating from the two women is unclean and hazardous to the physical and spiritual well being of the nations, who drink her intoxicating oil, or wine of fornication. The picture of the stork is an unclean animal that spreads something foul. This is why the wings indicate spreading abroad through the unclean wind. Have we seen a revival of Islam since 9/11/01? Absolutely “yes,” as we are strangely finding more people becoming Muslims rather than less. Basically we are told this is the revival of Islam, and the two cities in view are Babylon in Iraq and Mecca in Saudi Arabia. For USA, or Rome “beast proponents,” these criteria of two wicked women cannot be met! Let us not forget that the false religion of Islam came from Babylonia and Allah already existed before Muhammad proclaimed his own prophethood. He/it was formerly a statue, but Muhammad proclaimed him/it to be the unseen deity in heaven. So this monotheism was his invention and we have both cities in view propagating the same evil to lead people astray.

^{xx} Trying to blackmail, or “hold up” the whole world to take the mark of the beast and turn against Israel. The mark of the beast is the very name of Allah, using oil as the bait.

^{xxi} Babylon the home base for all false religions birthed by Nimrod that made its way to the Arabian desert is being spread to all four corners of the globe, as Islam seeks to move its foul winds through the prince of the power of the air, the space between heaven and earth. Al Jazera and now Al Jazera TV Int’l are TV satellite networks and are two such examples of using the airwaves to spread this foul demonic faith.

^{xxii} Or what is, or where is, the center and origin of this oil wealth blackmail and evil practice? The prophet enquires about where these evil people are heading, or where they are dwelling with this liquid barrel of black gold.

^{xxiii} House of Saud, or house of opulence and wealth.

^{xxiv} Iraq/Saudi Arabia both parts of ancient Babylon.

^{xxv} The base, or foundation of the Koran, not the Scriptures! Also Al Qaeda means “the base” in Arabic. The oil revenue [the ephah/barrel] is used to promote Al Qaeda as the base for global terrorist engagements.

^{xxvi} The destruction of Mecca and Iraq, or “both women,” is clearly presented in the Bible. The harlot of Babylon will be ravaged. Muslims themselves will destroy and ravage Mecca (as taught even by Islam), while the western USA-UK coalition nations will destroy Babylon, that today are several modern Islamic nations, by being YHWH’s weapons of indignation, since this is what the Master has proposed and it will be fulfilled.
